5 Essentials Survey

As a parent or guardian of one or more students attending Naperville Community Unit School District 203, your feedback is requested via participation in the annual statewide Illinois 5Essentials Survey.

The purpose of this online survey is to understand parent/guardian perceptions in the areas of connectedness, satisfaction, interaction, involvement, and quality.

Your participation and ratings on this survey are confidential; the district will only receive school level results if at least 20% of parents/guardians participate.

The results of this survey will be used to understand areas of strength and challenge at the district and school level based on your input and feedback.

Families with students attending more than one school are asked to complete the survey for each school individually.

To access the survey, please click here <https://survey.5-essentials.org/illinois/> and select "Dupage" as the County.

Lastly, please complete this survey by Friday, March 11, 2022 and thank you for your participation.

Assistant Superintendent for Assessment and Accountability

MITIGATION STRATEGIES

The health and safety of students and staff is of utmost importance to all of us! We have a layered mitigation process to keep us as safe as possible. Hand washing and sanitizing, social distancing, masks and Shield Testing are truly helping to reduce the spread and provide early detection. Many may have opted out of Shield Testing once they were vaccinated. This variant seems to impact many vaccinated people (although not as severely), please consider opting in for Friday Shield Testing as we strive to keep Naper as healthy as possible. We are truly Better Together!

Contact Julie Strang at jstrang@naperville203.org to "OPT IN" to Shield Testing.

Covid Shield Testing Volunteers STILL Needed!!

Covid Shield testing is done every Friday. We are looking for 2 parent volunteers per week to help escort the students to and from their classrooms, and help them with checking in for their test. This will be from 8-11:20am. All volunteers need to be fully vaccinated and must wear a mask. Thank you so much for volunteering your time!

Mask and Water Bottle Reminders

Please remember students are required to wear a mask while at school. Please remember to send your student to school with a mask and consider sending a "back up" mask in case it breaks, becomes unusable, or is lost during the school day. The school does have some masks, but our supply is limited. Your help in this matter is greatly appreciated.

Additionally, please remember to send your student to school with a water bottle as school drinking fountains are "closed" except for use of filling water bottles.

Submit Voluntary Student Vaccination Form

Families of all Naperville 203 students 5 and older can now submit Voluntary Student Vaccination Reporting forms. This option is completely voluntary and is a proactive approach to managing our Covid-19 mitigation strategies. If a decision is made not to volunteer this information, families/students will engage in Naperville 203's general process for managing COVID-19 situations and will be contacted if a need arises for contact tracing.
