FINAL WEEK! PLEASE COMPLETE 5 ESSENTIALS PARENT SURVEY

As a parent or guardian of one or more students attending Naperville Community Unit School District 203, your feedback is requested via participation in the annual statewide Illinois 5Essentials Survey.

The purpose of this online survey is to understand parent/guardian perceptions in the areas of connectedness, satisfaction, interaction, involvement, and quality.

Your participation and ratings on this survey are confidential; the district will only receive school level results if at least 20% of parents/guardians participate.

The results of this survey will be used to understand areas of strength and challenge at the district and school level based on your input and feedback.

Families with students attending more than one school are asked to complete the survey for each school individually.

To access the survey, please click here <https://survey.5-essentials.org/illinois/> and select "Dupage" as the County.

Lastly, please complete this survey by Friday, March 11, 2022 and thank you for your participation.

Patrick W. Nolten, Ph.D.

Assistant Superintendent for Assessment and Accountability

Kindergarten Preview

MARK YOUR CALENDARS FOR KINDERGARTEN PREVIEW – FRIDAY, MARCH 25TH!

Please watch for specific information to come out next week regarding your assigned time to attend.

Arrival and Dismissal

Hello Naper Families! The safety of Naper students is of utmost importance to us. Please review these reminders for arrival and dismissal at Naper School. Thank you so much for your cooperation. We truly are BETTER TOGETHER!

Students may enter at 8am. We do not have teacher supervision until this time each day.

- Please have your student exit the car anywhere along the fence. You do not need to wait for Mr. M to open your car door, unless your child needs adult assistance to exit the vehicle.
- Cars should only drop off in the car pool lane along the fence. Please do not pull past this area and drop off directly in front of the school. Please try to say your goodbyes in the drop off lane, when parents wait in front of the school to wave goodbye to their child it creates a traffic issue on Eagle Street and Van Buren.
- Students should wear boots for arrival as they may need to walk through snow.
- Parents should not exit the car and students should only exit on the passenger side of the car.
- Naper School has crosswalks at Eagle Street and Benton and Eagle Street and Jefferson. Please do not cross Eagle Street at any other location with children.
- Please do not park in the car pool lane.
- Students may only play on the playground after school IF a parent is present.

Warm and Dry Winter Clothing

Students go outside several times each day when the "feel like" temperature is above zero. Children need gloves or mittens, hats, coats, snowpants and boots. Our Health Office has already used our supply of extra winter gear. Please help your student come to school prepared to be comfortable outside each day.

MITIGATION STRATEGIES

The health and safety of students and staff is of utmost importance to all of us! We have a layered mitigation process to keep us as safe as possible. Hand washing and sanitizing, social distancing, masks and Shield Testing are truly helping to reduce the spread and provide early detection. Many may have opted out of Shield Testing once they were vaccinated. This variant seems to impact many vaccinated people (although not as severely), please consider opting in for Friday Shield Testing as we strive to keep Naperville as healthy as possible. We are truly Better Together!

Contact Julie Strang at jstrang@naperville203.org to "OPT IN" to Shield Testing.

Covid Shield Testing Volunteers STILL Needed!!

Covid Shield testing is done every Friday. We are looking for 2 parent volunteers per week to help escort the students to and from their classrooms, and help them with checking in for their test. This will be from 8-11:20am. All volunteers need to be fully vaccinated and wear a mask. Thank you so much for volunteering your time!

Families of all Naperville 203 students 5 and older can now submit Voluntary Student Vaccination Reporting forms. This option is completely voluntary and is a proactive approach to managing our Covid-19 mitigation strategies.
