PICTURE RETAKE DAY - MONDAY, 10/18

Naper families please mark your calendars for Picture Retake Day **TOMORROW, 10/18**. Pictures will be taken of any student that was absent on our original picture day, or any student wishing to have their picture retaken.

HR Imaging has a "No Questions Asked" policy for retakes. If for any reason a student/parent is not happy with their pictures they may have the photograph retaken on retake day. **They must bring the entire package back and give it to the photographer at this time.**

Any questions? Please contact the Naper office at 630-420-6345.

Naper Health Office Update

This week brought 2 big changes to the COVID-19 protocol for D203.

1. Siblings of ill students may remain attending in-person learning, as long as:

a. They are not showing signs of illness **AND**

b. Verification that the sick student received a COVID-19 test is presented to the health office within 24 hours. *The verification must be that the COVID-19 test was completed, not just that the test is scheduled.*

2. An alternative diagnosis is no longer accepted. If a student is showing signs of COVID-19 illness, an RT-PCR test must be completed, or the student must remain home for 10 days from the onset of illness.

If you have any questions, please reach out to the health office 630-420-6347.

Shield Testing Update

Shield Testing on Friday, 10/15, went very smoothly. We were able to get through all grade levels. Some students were not able to successfully provide a sample, so please check with your student as to whether they completed testing. Thank you to our volunteers for all their help!

Covid Shield Testing Volunteers Needed

Covid Shield testing will begin at Naper on Friday, October 1st. Testing will be done every Friday. We are looking for 2 parent volunteers per week to help escort the students to and from their classrooms, and help them with checking in for their test. This will be from 8-11:20am. All volunteers need to be fully vaccinated and wear a mask. Thank you so much for volunteering your time!

Mask and Water Bottle Reminders

Please remember students are required to wear a mask while at school. Please remember to send your student to school with a mask and consider sending a "back up" mask in case it breaks, becomes unusable, or is lost during the school day. The school does have some masks, but our supply is limited. Your help in this matter is greatly appreciated.

Additionally, please remember to send your student to school with a water bottle as school drinking fountains are "closed" except for use of filling water bottles.

#203 SHOUT OUT

Do you know of a District 203 educator or staff member who deserves some recognition? Give them a "Shout Out" on the 203 Shout Out Twitter account created by a local parent. Submit your "Shout Out" using this link: tinyurl.com/203ShoutOut
