Naper Health Office Update

This week brought 2 big changes to the COVID-19 protocol for D203.

1. Siblings of ill students may remain attending in-person learning, as long as:

- a. They are not showing signs of illness **AND**
- b. Verification that the sick student received a COVID-19 test is presented to the health office within 24 hours. *The verification must be that the COVID-19 test was completed, not just that the test is scheduled.*

2. An alternative diagnosis is no longer accepted. If a student is showing signs of COVID-19 illness, an RT-PCR test must be completed, or the student must remain home for 10 days from the onset of illness.

If you have any questions, please reach out to the health office 630-420-6347.

Calling all Watch D.O.G.S!

Naper Nations is excited to reintroduce the Watch D.O.G.S.® (Dads Of Great Students) program to the 2021-22 school year! Watch D.O.G.S.® is an innovative program being used by schools across America which helps positively impact students by the committed involvement of fathers and father-figures in their student's life. The goal is to have Naper Dads and/or Father-figures spend recess at the school to be a positive male role model and provide an extra set of eyes and ears.

Although it will look a bit different from years past, we are excited to offer this great program again. Please be on the lookout for your personal invitation coming this week. Sign-up is limited to one spot per family and spots are limited so don't miss it! More information to come!

AUCTION INVITATION

Mask and Water Bottle Reminders

Please remember students are required to wear a mask while at school. Please remember to send your student to school with a mask and consider sending a "back up" mask in case it

breaks, becomes unusable, or is lost during the school day. The school does have some masks, but our supply is limited. Your help in this matter is greatly appreciated.

Additionally, please remember to send your student to school with a water bottle as school drinking fountains are "closed" except for use of filling water bottles.

#203 SHOUT OUT

Do you know of a District 203 educator or staff member who deserves some recognition? Give them a "Shout Out" on the 203 Shout Out Twitter account created by a local parent. Submit your "Shout Out" using this link: tinyurl.com/203ShoutOut
