## Giftmart Donations

This year we will be once again collecting toys for under-resourced elementary school families in District 203.

By invitation, parents and/or guardians are invited to the Giftmart Toyshop where they can purchase new toys for \$2.00 per toy. **100%** of the proceeds made from the sale of each toy will be donated back to each invited school to fund educational programs.

Please consider donating a new, unwrapped toy valued from \$20-\$30 that is safe for children ages 6-12. There will be a Giftmart Toy Box located at our school from November 8th – November 29th.

Thank you for your generosity and participation!

## Covid Shield Testing Volunteers Needed

Covid Shield testing will begin at Naper on Friday, October 1st. Testing will be done every Friday. We are looking for 2 parent volunteers per week to help escort the students to and from their classrooms, and help them with checking in for their test. This will be from 8-11:20am. All volunteers need to be fully vaccinated and wear a mask. Thank you so much for volunteering your time!

## Naper Health Office Update

This week brought 2 big changes to the COVID-19 protocol for D203.

1. Siblings of ill students may remain attending in-person learning, as long as:
  - a. They are not showing signs of illness **AND**
  - b. Verification that the sick student received a COVID-19 test is presented to the health office within 24 hours. *The verification must be that the COVID-19 test was completed, not just that the test is scheduled.*
2. An alternative diagnosis is no longer accepted. If a student is showing signs of COVID-19 illness, an RT-PCR test must be completed, or the student must remain home for 10 days from the onset of illness.

If you have any questions, please reach out to the health office 630-420-6347.

### Mask and Water Bottle Reminders

Please remember students are required to wear a mask while at school. Please remember to send your student to school with a mask and consider sending a "back up" mask in case it breaks, becomes unusable, or is lost during the school day. The school does have some masks, but our supply is limited. Your help in this matter is greatly appreciated.

Additionally, please remember to send your student to school with a water bottle as school drinking fountains are "closed" except for use of filling water bottles.
