

A. GEORGE AND PATRICIA PRADEL SAFETY TOWN

2023 SAFETY TOWN SUMMER PROGRAM

Safety Town Summer Program last year was a one day, 3-hour program targeted for children entering kindergarten and 1st grade. Throughout the session stories, games, songs, and videos reinforced the skills being taught. Using a hands-on engaging approach, children absorb important information and have fun at the same time. The Naperville Police and Fire Departments and other community groups help teach safety awareness and prevention.

The nationwide Safety Town program was brought to Naperville in 1978, and in June of 1996 the Naperville Safety Campus opened at 1320 Aurora Avenue in Naperville. Our program started out small, but has become mighty - we serve over 1,200 students in our summer program each year! Safety topics covered during the week include:

- Bike Safety
- Fire Safety
- Proper Use of Helmets
- Water Safety
- Bus Safety
- Pedestrian Safety
- Electrical Safety
- Train Safety
- Poison Awareness
- Animal Safety
- Personal Safety
- 9-1-1 Emergency Calling

Program dates will be announced in April.

Please visit our website in April and follow us on Facebook for more information about registration dates and times as they become available.
