Program Philosophy

The philosophy of the Naperville School District Dual Language Program is to educate our students to become bilingual, biliterate, and bicultural in this ever increasing global society. Ultimately, we want our students to achieve academic excellence in two languages and attain a multicultural understanding and appreciation for the different cultures represented in our program.

Naperville District 203 offers Dual Language in five elementary buildings. Please join us to learn more about enrolling your child entering Kindergarten in the Dual Language Program for the 2023-2024 school year.
