

DirectorySpot 2021-2022

Naperville Central Home & School is excited to announce that we are once again using the app, **DirectorySpot**, for our school directory. You will now be able to access the school directory right from your smartphone or desktop and it will always be updated with the latest information! If you paid \$15 for the NCHS Home & School Directory on your Fee Statement during registration, you will receive access to the student directory through DirectorySpot. The App will become available in October and you will receive an email with instructions on how to access.

It is not too late to purchase the directory. Using the order form on the last page, please write a check for \$15 made payable to Naperville Central High School. Please include your student's ID number on the memo line of your check and note that it is for the directory. You can drop the check off at Naperville Central's Main Office or mail to: Naperville Central High School, Attn: Home & School Directory Chair, 440 Aurora Ave, Naperville, IL 60540

Naperville Central Home & School is entirely supported by the sale of the **Student/Parent Directory**. Please consider purchasing this great family resource which will help support many programs at NCHS.

Please read below to learn more about DirectorySpot.

- The app will contain parent names, phone numbers, home address, parent email addresses and student names and grade levels
- The app is very secure. Only parents that purchase the directory and staff of Naperville Central will be granted access. Each user will log on with their authorized email address and will set their own password. If you would like more information on security features, please visit: <https://www.directoryspot.net/security.php>.
- If you would like to "opt out" of DirectorySpot and NOT have your family information included in the online directory, please send an email to the Directory Chair at nchsdirectoryspot@gmail.com by **September 30**.

If you have any questions, please contact the Directory Chair, Lynn Hayes, at nchsdirectoryspot@gmail.com.
