Health Office Information

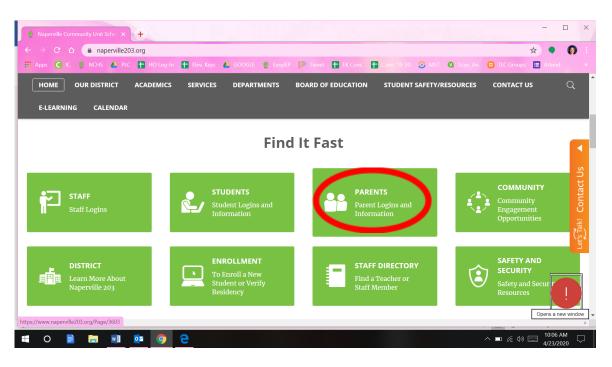

Medications

If you have any medication at school please remember that you must pick it up before graduation or it will be disposed of per district procedure. The Nurses' Office is closed during the summer.

Immunization Records

You are responsible for submitting your immunizations to the college/university of your choice. You may access these records through Infinite Campus until your Portal Account is closed on July 1st. **Please be aware that the school immunization record only reflects state-mandated immunizations. You may have received additional immunizations, and this documentation should be obtained through your doctor's office or medical provider**. See below for directions for accessing immunizations through the Infinite Campus Portal.

1. Log on to the Campus Portal through the District 203 website, and choose "Campus Parent": <u>https://infinitecampus.naperville203.org/campus/portal/naperville.jsp</u>
