

## Discovery Education Access for Teachers and Students

There is now a Canvas and Google integration for this product.

- Users can log in via <https://google.discoveryeducation.com>
- Or via **Canvas**.
- The default password has been set to “**discovery**” for any new accounts.

**Classroom teachers and their students are being auto-rostered nightly.**

If staff/students are going to Discovery Education outside of Canvas, be sure to use this link to login. <https://google.discoveryeducation.com> When teachers or students get there, they should click on the red **Sign in with Google** button. If they are logged into their Google account on chrome before navigating to the links, they should get in automatically.
