On the first day of the new school year, your child will need school supplies predetermined by our teachers. Kindergartners have shared supplies amongst the classroom, not individual supplies. As such, Beebe Home & School purchases supplies in bulk, and charges each kindergartener the supply fee.

THIS IS NOT A FUNDRAISER FOR BEEBE. It has been a helpful, efficient method for ensuring students are equipped with all they need and helps achieve uniformity between the students in terms of supplies. We can also pass on considerable bulk order discounts to you and the savings to you in time and effort!

Should you choose to purchase your own supplies, please bring the exact items listed to your preview day and understand that they will be classroom supplies, not just your child's supplies.
