# Delta Dental PPO Plan Highlights

Group #10458

#### Introduction

The Delta Dental PPO program allows you to go to any inor out-of-network general or specialty dentist at the time of treatment. Naperville Community Unit School District 203 dental enrollees have access to two networks, Delta Dental PPO and Delta Dental Premier managed fee-for-service. When you call your dentist's office to make an appointment, ask if your dentist participates in either Delta Dental PPO or Premier. Your out-of-pocket costs will vary depending on whether he/she participates in Delta Dental PPO, Premier or neither (i.e., "out-of-network"). You will maximize your benefits by receiving care from a Delta Dental PPO network dentist. There are 165,200 Delta Dental PPO and 247,600 Delta Dental Premier dentist locations nationwide, including 5,650 and 9,340, respectively, in Illinois.

#### **Choosing Your Dentist**

Under your Dental Plan, you may go to any in- or out-ofnetwork general or specialty dentist. However, it is to your advantage to choose a Delta Dental PPO or Premier network dentist for the following reasons:

1) Payment to Delta Dental PPO dentists is based on pre-set, reduced fees; payment to Premier dentists is based on Delta Dental's maximum plan allowances (MPAs). In both networks, you only have to pay your copayment and deductible – you are not responsible for charges exceeding the reduced PPO fee if you receive treatment from a Delta Dental PPO dentist or the MPA if you receive treatment from a Premier dentist.\*

For example, if you need a crown, assume the Delta Dental PPO fee allowance is \$600 and the MPA is \$900. If your plan covers crowns at 50% and your dentist normally charges \$1000, your out-of-pocket cost (excluding deductible) would be:

## Delta Dental PPO Dentist - \$300

(50% of the \$600 PPO fee allowance)

**Delta Dental Premier Dentist – \$450** (50% of the \$900 MPA)

# Out-of-Network Dentist - \$550

(50% of the \$900 MPA <u>plus</u> \$100 difference between the MPA and the dentist's billed charge)

- 2) Because we reimburse Delta Dental PPO and Premier dentists directly, they agree to charge you no more than your copayment and deductible; in other words, *you do not have to pay the whole bill up-front and wait for reimbursement.*
- **3)** Out-of-network dentists do not accept Delta Dental's MPAs as payment-in-full. If an out-of-network dentist's charge exceeds the MPA, you must pay the difference <u>plus</u> your copayment and deductible. At the dentist's discretion, *you may also have to pay the entire bill in advance.*
- 4) Claim forms will be completed and submitted at no charge. Out-of-network dentists may require you to complete forms yourself or to pay a service charge.
- \*If your Delta Dental PPO or Premier dentist inadvertently charges you for amounts payable by Delta Dental, please call our customer service department at 800-323-1743.

### **Non-Covered Services**

There are some limitations on the expenses for which the Naperville Community Unit School District 203 Dental Plan pays. For further information, refer to your dental benefits booklet or call our customer service department.

#### Finding a Network Dentist

To verify your dentist's participation status, simply ask him/her if he/she is a Delta Dental PPO or Delta Dental Premier network dentist, call our interactive voice response system, contact our customer service department or visit our Web site.
