### **WARNING, LIMITED BENEFITS WILL BE PAID WHEN NON-PARTICIPATING PROVIDERS ARE USED**

You should be aware that when you elect to utilize the services of a Non-Participating Provider for a Covered Service in non-emergency situations, benefit payments to such Non-Participating Provider are not based upon the amount billed. The basis of your benefit payment will be determined according to your policy’s fee schedule, usual and customary charge (which is determined by comparing charges for similar services adjusted to the geographical area where the services are performed), or other method as defined by the plan. **YOU CAN EXPECT TO PAY MORE THAN THE COINSURANCE AMOUNT DEFINED UNDER THIS COVERAGE AFTER THE PLAN HAS PAID ITS REQUIRED PORTION.** Non-Participating Providers may bill members for any amount up to the billed charge after the plan has paid its portion of the bill. Participating Providers have agreed to accept discounted payments for services with no additional billing to the member other than Coinsurance and deductible amounts. You may obtain further information about the participating status of professional providers and information on out-of-pocket expenses by calling the toll free telephone number on your identification card.

## **GRANDFATHERED HEALTH CARE PLAN DISCLOSURE REQUIREMENT**

This group health plan believes this plan is a “grandfathered health plan” under the Affordable Care Act. As permitted by the Affordable Care Act, a grandfathered health plan can preserve certain basic health coverage that was already in effect when that law was enacted. Being a grandfathered health plan means that your plan may not include certain consumer protections of the Affordable Care Act that apply to other plans, for example, the requirement for the provision of preventive health services without any cost sharing. However, grandfathered health plans must comply with certain other consumer protections in the Affordable Care Act, for example, the elimination of lifetime dollar limits on benefits.

Questions regarding which protections apply and which protections do not apply to a grandfathered health plan and what might cause a plan to change from grandfathered health plan status can be directed to your Employer or the plan administrator.

If your health plan is subject to the Employee Retirement Income Security Act (ERISA), you may also contact the Employee Benefits Security Administration, U.S. Department of Labor at [www.dol.gov/ebsa/healthreform](http://www.dol.gov/ebsa/healthreform). This Web site has a table summarizing which protections do and do not apply to grandfathered health plans. For nonfederal governmental plans, inquiries may be directed to the U.S. Department of Health and Human Services at [www.healthreform.gov](http://www.healthreform.gov).

## DEFINITIONS SECTION

Throughout this benefit booklet, many words are used which have a specific meaning when applied to your health care coverage. These terms will always begin with a capital letter. When you come across these terms while reading this benefit booklet, please refer to these definitions because they will help you understand some of the limitations or special conditions that may apply to your benefits. If a term within a definition begins with a capital letter, that means that the term is also defined in these definitions. All definitions have been arranged in ALPHABETICAL ORDER.

ADMINISTRATOR HOSPITAL.....SEE DEFINITION OF HOSPITAL.

ADMINISTRATOR PROGRAM.....means programs for which a Hospital has a written agreement with the Claim Administrator or another Blue Cross and/or Blue Shield Plan to provide service to you at the time services are rendered to you. The ADP will often vary from Claim-to-Claim. The ADP applicable to a particular Claim for Covered Services is the ADP, current on the date the Covered Service is rendered, that is determined by the Claim Administrator to be relevant to the particular Claim. The ADP reflects the Claim Administrator’s reasonable estimate of average payments, discounts and/or other allowances that will result from its contracts with Hospitals and other facilities under circumstances similar to those involved in the particular Claim, reduced by an amount not to exceed 15% of such estimate, to reflect related costs. (See provisions of this benefit booklet regarding “Claim Administrator’s Separate Financial Arrangements with Providers.”) In determining the ADP applicable to a particular Claim, the Claim Administrator will take into account differences among Hospitals and other facilities, the Claim Administrator’s contracts with Hospitals and other facilities, the nature of the Covered Services involved and other relevant factors. ## ELIGIBILITY SECTION

This benefit booklet contains information about the health care benefit program for the persons who:

- Meet the definition of an Eligible Person as determined by your Employer;
- Have applied for this coverage; and
- Have received an identification card.

If you meet this description of an Eligible Person, you are entitled to the benefits of this program.

### MEDICARE ELIGIBLE COVERED PERSONS

If you meet the definition of an Eligible Person stated in the ELIGIBILITY Section above and you are eligible for Medicare and not affected by the “Medicare Secondary Payer” (MSP) laws as described below, the benefits described in the section of this benefit booklet entitled “Benefits for Medicare Eligible Covered Persons” will apply to you and to your spouse and covered dependent children (if he or she is also eligible for Medicare and not affected by the MSP laws). This section does not apply to a party of a Civil Union with the Eligible Person and their children.

A series of federal laws collectively referred to as the “Medicare Secondary Payer” (MSP) laws regulate the manner in which certain employers may offer group health care coverage to Medicare eligible employees, spouses, and in some cases, dependent children.

The statutory requirements and rules for MSP coverage vary depending on the basis for Medicare and employer group health plan (“GHP”) coverage, as well as certain other factors, including the size of the employers sponsoring the GHP. In general, Medicare pays secondary to the following:

1. GHPs that cover individuals with end-stage renal disease (“ESRD”) during the first 30 months of Medicare eligibility or entitlement. This is the case regardless of the number of employees employed by the employer or whether the individual has “current employment status.”
2. In the case of individuals age 65 or over, GHPs of employers that employ 20 or more employees if that individual or the individual’s spouse (of any age) has “current employment status.” If the GHP is a multi-employer or multiple employer plan, which has at least one participating employer that employs 20 or more employees, the MSP rules apply even with respect to employers of fewer than 20 employees (unless the plan elects the small employer exception under the statute).
3. In the case of disabled individuals under age 65, GHPs of employers that employ 100 or more employees, if the individual or a member of the individual’s family has “current employee status.” If the GHP is a multi-employer or multiple employer plan, which has at least one parti-

icipating employer that employs 100 or more employees, the MSP rules apply even with respect to employers of fewer than 100 employees.

**PLEASE NOTE: SEE YOUR EMPLOYER OR GROUP ADMINISTRATOR SHOULD YOU HAVE ANY QUESTIONS REGARDING THE ESRD PRIMARY PERIOD OR OTHER PROVISIONS OF MSP LAWS AND THEIR APPLICATION TO YOU, YOUR SPOUSE OR ANY DEPENDENTS.**

## **YOUR MSP RESPONSIBILITIES**

In order to assist your employer in complying with MSP laws, it is very important that you promptly and accurately complete any requests for information from the Claim Administrator and/or your employer regarding the Medicare eligibility of you, your spouse and covered dependent children. In addition, if you, your spouse or covered dependent child becomes eligible for Medicare, or has Medicare eligibility terminated or changed, please contact your employer or your group administrator promptly to ensure that your Claims are processed in accordance with applicable MSP laws.

## **YOUR ID CARD**

You will receive an identification card. This card will tell you your identification number and will be very important to you in obtaining your benefits.

## **INDIVIDUAL COVERAGE**

If you have Individual Coverage, only your own expenses for Covered Services are covered, not the expenses of other members of your family.

## **FAMILY COVERAGE**

Child(ren) used hereafter, means a natural child(ren), a stepchild(ren), an adopted child(ren) who is in your custody under an interim court order of adoption or who is placed with you for adoption vesting temporary care.

If you have Family Coverage, your health expenses for Covered Services and those of your enrolled spouse and your (or your spouse's) enrolled children up to age 26 will be covered. All of the provisions of this benefit booklet that pertain to a spouse also apply to a party of a Civil Union unless specifically noted otherwise. The coverage for children will end on the last day of the month in which the limiting age is reached.

Enrolled unmarried children will be covered up to age 30 if they:

- Live within the state of Illinois; and
- Have served as an active or reserve member of any branch of the Armed Forces of the United States; and
- Have received a release or discharge other than a dishonorable discharge.

Any newborn children will be covered from the moment of birth. Please notify your Group Administrator within 31 days of the date of birth so that your membership records can be adjusted.

Any children who are incapable of self-sustaining employment and are dependent upon you or other care providers for lifetime care and supervision because of a handicapped condition occurring prior to reaching the limiting age will be covered regardless of age if they were covered prior to reaching the limiting age stated above.

Any children who are under your legal guardianship or who are in your custody under an interim court order of adoption or who are placed with you for adoption vesting temporary care will be covered.

This coverage does not include benefits for grandchildren (unless such children are under your legal guardianship) or foster children.

### **CHANGING FROM INDIVIDUAL TO FAMILY COVERAGE OR ADDING DEPENDENTS TO FAMILY COVERAGE**

You can change from Individual to Family Coverage or add dependents to your Family Coverage because of any of the following events:

- Marriage.
- Becoming party to a Civil Union.
- Birth, adoption or placement for adoption of a child.
- Obtaining legal guardianship of a child.
- Loss of eligibility for other health coverage for you or your dependent if:
  - a. The other coverage was in effect when you were first eligible to enroll for this coverage;
  - b. The other coverage is not terminating for cause (such as failure to pay premiums or making a fraudulent claim); and
  - c. Where required, you stated in writing that coverage under another group health plan or other health insurance coverage was the reason for declining enrollment in this coverage.

This includes, but is not limited to, loss of coverage due to:

- a. Legal separation, divorce, dissolution from a Civil Union, cessation of dependent status, death of an employee, termination of employment, or reduction in the number of hours of employment;
- b. In the case of HMO, coverage is no longer provided because an individual no longer resides in the service area or the HMO no longer offers coverage in the HMO service area in which the individual resides;
- c. Reaching a lifetime limit on all benefits in another group health plan;
- d. Another group health plan no longer offering any benefits to the class of similarly situated individuals that includes you or your dependent;

- e. When Medicaid or Children’s Health Insurance Program (CHIP) coverage is terminated as a result of loss of eligibility; or
  - f. When you or your dependents become eligible for a premium assistance subsidy under Medicaid or CHIP.
- Termination of employer contributions towards your or your dependent’s other coverage.
  - Exhaustion of COBRA continuation coverage or state continuation coverage.

### **When Coverage Begins**

Your Family Coverage or the coverage for your additional dependents will be effective from the date of the event if you apply for this change within 31 days of any of the following events:

- Marriage.
- Becoming party to a Civil Union.
- Birth, adoption, or placement of adoption of a child.
- Obtaining legal guardianship of a child.

Your Family Coverage or the coverage for your additional dependents will be effective from the date you apply for coverage if you apply within 31 days of any of the following events:

- Loss of eligibility for other coverage for you or your dependent, except for loss of coverage due to reaching a lifetime limit on all benefits.
- Termination of employer contributions towards your or your dependent’s other coverage.
- Exhaustion of COBRA continuation coverage or state continuation coverage.

If coverage is lost in another group health plan because a lifetime limit on all benefits is reached under that coverage and you apply for Family Coverage or to add dependents within 31 days after a claim is denied due to reaching the lifetime limit, your Family Coverage or the coverage for your additional dependents will be effective from the date your claim was denied.

Your Family Coverage or the coverage for your additional dependents will be effective from the date of the event if you apply for this change within 60 days of any of the following events:

- Loss of eligibility for you or your dependents when Medicaid or CHIP coverage is terminated as a result of loss of eligibility; or
- You or your dependents become eligible for a premium assistance subsidy under Medicaid or CHIP.

You must request this special enrollment within 60 days of the loss of Medicaid or CHIP coverage, or within 60 days of when eligibility for premium assistance under Medicaid or CHIP is determined. Coverage will be effective

no later than the first of the month after the special enrollment request is received.

### **Late Enrollment**

If late enrollment is not due to a HIPAA qualifying event or change in the federal or state law, late enrollees are not eligible regardless of medical evaluation.

### **TERMINATION OF COVERAGE**

You will no longer be entitled to the benefits described in this benefit booklet if either of the events stated below should occur.

1. If you no longer meet the previously stated description of an Eligible Person.
2. If the entire coverage of your Employer terminates.

Further, termination of the agreement between the Claim Administrator and the Employer automatically terminates your coverage as described in this benefit booklet. It is the responsibility of the Employer to notify you in the event the agreement is terminated with the Claim Administrator. Regardless of whether such notice is provided, your coverage will terminate as of the effective date of termination of the Employer's agreement with the Claim Administrator.

No benefits are available to you for services or supplies rendered after the date of termination of your coverage under the Health Care Plan described in this benefit booklet except as otherwise specifically stated in the "Extension of Benefits in Case of Termination" provisions of this benefit booklet. However, termination of the Employer agreement with the Claim Administrator and/or termination of your coverage under the Health Care Plan shall not affect any Claim for Covered Services rendered prior to the effective date of such termination.

Unless specifically mentioned elsewhere in this benefit booklet, if one of your dependents becomes ineligible, his or her coverage will end as of the date the event occurs which makes him or her ineligible.

Other options available for Continuation of Coverage are explained in the COBRA Section of this benefit booklet.

## UTILIZATION REVIEW PROGRAM

The Claim Administrator has established the Utilization Review Program to assist you in determining the course of treatment that will maximize your benefits under this Health Care Plan. The Utilization Review Program requires a review of the following Covered Services **before** such services are rendered:

- Inpatient Hospital services
- Skilled Nursing Facility services
- Services received in a Coordinated Home Care Program
- Private Duty Nursing Services

**You are responsible for satisfying Preadmission/Admission Review requirements. This means that you must ensure that you, your family member, or Provider of services must comply with the guidelines below. Failure to obtain Preadmission/Admission Review for services will require additional steps and/or benefit reductions as described in the provision entitled FAILURE TO NOTIFY. The toll-free telephone number for Preadmission/Admission Review is on your ID card. Please read the provisions below very carefully.**

The provisions of this section do not apply to the treatment of Mental Illness and Substance Use Disorder Rehabilitation Treatment. The treatment of Mental Illness and Substance Use Disorder Rehabilitation Treatment are subject to the provisions specified in THE CLAIM ADMINISTRATOR'S MENTAL HEALTH UNIT section of this benefit booklet.

### PREADMISSION REVIEW

- **Inpatient Hospital Preadmission Review**

**Preadmission review is not a guarantee of benefits. Actual availability of benefits is subject to eligibility and the other terms, conditions, limitations, and exclusions of the Health Care Plan.**

Whenever a nonemergency or nonmaternity Inpatient Hospital admission is recommended by your Physician, in order to receive maximum benefits under this benefit booklet, you must call the Claim Administrator's medical pre-notification number. This call must be made at least one business day prior to the Hospital admission.

If the proposed Hospital admission or health care services are determined to be not Medically Necessary, some days, services or the entire hospitalization will be denied. The Hospital and your Physician will be advised verbally of this determination, with a follow-up notification letter sent to you, your Physician and the Hospital. These letters may not be received prior to your scheduled date of admission.

- **Emergency Admission Review**

**Emergency admission review is not a guarantee of benefits. Actual availability of benefits is subject to eligibility and the other terms, conditions, limitations, and exclusions of the Health Care Plan.**

In the event of an emergency admission, in order to receive maximum benefits under this benefit booklet, you or someone who calls on your behalf must notify the Claim Administrator no later than two business days or as soon as reasonably possible after the admission has occurred. If the call is made any later than the specified time period, you will not be eligible for maximum benefits.

- **Pregnancy/Maternity Admission Review**

**Pregnancy/Maternity admission review is not a guarantee of benefits. Actual availability of benefits is subject to eligibility and the other terms, conditions, limitations and exclusions of this Health Care Plan.**

In the event of a maternity admission, in order to receive maximum benefits under this benefit booklet, you or someone who calls on your behalf must notify the Claim Administrator no later than two business days after the admission has occurred. If the call is made any later than the specified time period, you will not be eligible for maximum benefits.

Even though you are not required to call the Claim Administrator prior to your maternity admission, if you call the medical pre-notification number as soon as you find out you are pregnant, the Claim Administrator will provide you information on support programs to assist you during pregnancy.

- **Skilled Nursing Facility Preadmission Review**

**Skilled Nursing Facility preadmission review is not a guarantee of benefits. Actual availability of benefits is subject to eligibility and the other terms, conditions, limitations, and exclusions of the Health Care Plan.**

Whenever an admission to a Skilled Nursing Facility is recommended by your Physician, in order to receive maximum benefits under this benefit booklet, you must call the Claim Administrator's medical pre-notification number. This call must be made at least one business day prior to the scheduling of the admission.

- **Coordinated Home Care Program Preadmission Review**

**Coordinated Home Care Program preadmission review is not a guarantee of benefits. Actual availability of benefits is subject to eligibility and the other terms, conditions, limitations, and exclusions of the Health Care Plan.**

Whenever an admission to a Coordinated Home Care Program is recommended by your Physician, in order to receive maximum benefits under

this benefit booklet, you must call the Claim Administrator's medical pre-notification number. This call must be made at least one business day prior to the scheduling of the admission.

## **CASE MANAGEMENT**

Case management is a collaborative process that assists you with the coordination of complex care services. A Claim Administrator case manager is available to you as an advocate for cost-effective interventions.

Case managers are also available to you to provide assistance when you need alternative benefits. Alternative benefits will be provided only so long as the Claim Administrator determines that the alternative services are Medically Necessary and cost-effective. The total maximum payment for alternative services shall not exceed the total benefits for which you would otherwise be entitled under the Health Care Plan.

Provision of alternative benefits in one instance shall not result in an obligation to provide the same or similar benefits in any other instance. In addition, the provision of alternative benefits shall not be construed as a waiver of any of the terms, conditions, limitations, and exclusions of the Health Care Plan.

## **LENGTH OF STAY/SERVICE REVIEW**

**Length of stay/service review is not a guarantee of benefits. Actual availability of benefits is subject to eligibility and the other terms, conditions, limitations, and exclusions of the Health Care Plan.**

Upon completion of the preadmission or emergency review, the Claim Administrator will send a letter to your Physician and/or the Hospital confirming that you or your representative called the Claim Administrator and that an approved length of service or length of stay was assigned.

An extension of the length of stay/service will be based solely on whether continued Inpatient care or other health care service is Medically Necessary. In the event that the extension is determined not to be Medically Necessary, the authorization will not be extended. Additional notification will be provided to your Physician and/or the Hospital regarding the denial of payment for the extension.

## **MEDICALLY NECESSARY DETERMINATION**

The decision that Inpatient care or other health care services or supplies are not Medically Necessary will be determined by the Claim Administrator. The Claim Administrator will provide notification of a decision to not authorize payment for Inpatient care or other health care services or supplies to you, your Physician, and/or the Hospital or other Provider. The notification will specify the dates, services and/or supplies that are not considered Covered Services. For further details regarding Medically Necessary care and other exclusions from coverage, see the EXCLUSIONS—WHAT IS NOT COVERED section in this benefit booklet.

**The Claim Administrator does not determine your course of treatment or whether you receive particular health care services. Decisions regarding the course of treatment and receipt of particular health care services are a matter entirely between you and your Physician. The Claim Administrator's determination of Medically Necessary care is limited to merely whether a proposed admission, continued hospitalization or other health care service is a Covered Service under the Health Care Plan.**

In the event that the Claim Administrator determines that all or any portion of an Inpatient hospitalization or other health care service is not Medically Necessary, the Claim Administrator will not be responsible for any related Hospital or other health care service charge incurred.

**Remember that the Claim Administrator's Health Care Plan does not cover the cost of hospitalization or any health care services and supplies that are not determined to be Medically Necessary. The fact that your Physician or another health care Provider may prescribe, order, recommend or approve a Hospital stay or other health care service or supply does not of itself make such hospitalization, service or supply Medically Necessary. Even if your Physician prescribes, orders, recommends, approves, or views hospitalization or other health care services or supplies as medically necessary, the Claim Administrator will not pay for the hospitalization, services or supplies unless the Claim Administrator determines it to be Medically Necessary and a Covered Service under the Health Care Plan.**

**NOTE: Keep in mind that a Medically Necessary determination does not guarantee that benefits are available. For example, it might be determined that a service is Medically Necessary, however, the Health Care Plan may limit or exclude that service. In that case, the Medically Necessary determination does not override the benefit provision in the benefit booklet.**

## **UTILIZATION REVIEW PROCEDURE**

2. The name of the Hospital where the admission has been scheduled and/or the location where the service has been scheduled;

You should call the Claim Administrator's customer service number on your identification card. Your Physician should use the contact information in the notification letter.

Also, during this 30 day period, you may review any relevant documents held by the Claim Administrator, if you request an appointment in writing.

Within 30 days of receiving your request for review, the Claim Administrator will send you its decision on the Claim. In unusual situations, an additional 15 days may be needed for the review and you will be notified of this during the first 30 day period.

## **FAILURE TO NOTIFY**

The final decision regarding your course of treatment is solely your responsibility and the Claim Administrator will not interfere with your relationship with any Provider. However, the Claim Administrator has established the Utilization Review Program for the specific purpose of assisting you in determining the course of treatment which will maximize your benefits provided under this benefit booklet.

Should you fail to notify the Claim Administrator as required in the Preadmission Review provision of this section, you will then be responsible for the first \$200 of the Hospital or facility charges for an eligible stay or \$200 of the charges for eligible Covered Services for Private Duty Nursing in addition to any deductibles, Copayments and/or Coinsurance applicable to this benefit booklet. This amount shall not be eligible for later consideration as an unreimbursed expense under any Benefit Section of this benefit booklet nor can it be applied to your out-of-pocket expense limit, if applicable, as described in this benefit booklet.

### **MEDICARE ELIGIBLE MEMBERS**

The preadmission review provisions of this Utilization Review Program do not apply to you if you are Medicare eligible and have secondary coverage provided under the Health Care Plan.

### **MEDICARE ELIGIBLE MEMBERS**

The provisions of the CLAIM ADMINISTRATOR'S MENTAL HEALTH UNIT section do not apply to you if you are Medicare Eligible and have secondary coverage provided under the Health Care Plan.

## **THE PARTICIPATING PROVIDER OPTION**

Your Employer has chosen the Claim Administrator's "Participating Provider Option" for the administration of your Hospital and Physician benefits. The Participating Provider Option is a program of health care benefits designed to provide you with economic incentives for using designated Providers of health care services.

As a participant in the Participating Provider Option a directory of Participating Providers is available to you. You can visit the Blue Cross and Blue Shield of Illinois Web site at [www.bcbsil.com](http://www.bcbsil.com) for a list of Participating Providers. While there may be changes in the directory from time to time, selection of Participating Providers by the Claim Administrator will continue to be based upon the range of services, geographic location and cost-effectiveness of care. Notice of changes in the network will be provided to your Employer annually, or as required, to allow you to make selection within the network. However, you are urged to check with your Provider before undergoing treatment to make certain of its participation status. Although you can go to the Hospital or Professional Provider of your choice, benefits under the Participating Provider Option will be greater when you use the services of a Participating Provider.

Before reading the description of your benefits, you should understand the terms "Benefit Period" and "Deductible" as defined below.

### **YOUR BENEFIT PERIOD**

Your benefit period is a period of one year which begins on January 1st of each year. When you first enroll under this coverage, your first benefit period begins on your Coverage Date, and ends on the first December 31st following that date.

### **YOUR DEDUCTIBLE**

Each benefit period you must satisfy a \$350 deductible for Covered Services rendered by Participating Provider(s) and a separate \$700 deductible for Covered Services rendered by Non-Participating Provider(s). In other words, after you have claims for Covered Services for more than the deductible amount in a benefit period, your benefits will begin. This deductible will be referred to as the program deductible.

Expenses incurred by you for Covered Services rendered by a Non-Participating Provider which are applied toward the Non-Participating Provider program deductible will also be applied toward the Participating Provider program deductible.

### **FAMILY DEDUCTIBLE**

If you have Family Coverage and your family has reached the program deductible amount of \$700 for Covered Services rendered by Participating Provider(s) and a separate \$1,400 program deductible for Covered Services rendered by Non-Participating Provider(s), it will not be necessary for anyone else in your family to meet the program deductible in that benefit period. That

is, for the remainder of that benefit period only, no other family member(s) is required to meet the program deductible before receiving benefits. A family member may not apply more than the individual program deductible amount toward the family program deductible.

In any case, should two or more members of your family ever receive Covered Services as a result of injuries received in the same accident, only one program deductible will be applied against those Covered Services.

## **HOSPITAL BENEFIT SECTION**

Expenses for Hospital care are usually the biggest of all health care costs. Your Hospital benefits will help ease the financial burden of these expensive services. This section of your benefit booklet tells you what Hospital services are covered and how much will be paid for each of these services.

The benefits of this section are subject to all of the terms and conditions described in this benefit booklet. Please refer to the DEFINITIONS, ELIGIBILITY and EXCLUSIONS sections of this benefit booklet for additional information regarding any limitations and/or special conditions pertaining to your benefits.

In addition, the benefits described in this section will be provided only when you receive services on or after your Coverage Date and they are rendered upon the direction or under the direct care of your Physician. ## **ABOUT YOUR BENEFITS**

### ***Drug List***

Formulary drugs are selected by the Claim Administrator based upon the recommendations of a committee, which is made up of current and previously practicing physicians and pharmacists from across the country, some of whom are employed by or affiliated with the Claim Administrator. The committee considers drugs regulated by the FDA for inclusion on the *Drug List*. As part of the process, the committee reviews data from clinical studies, published literature and opinions from experts who are not part of the committee.

The committee considers drugs that are newly approved by the FDA, as well as those that have been on the market for some time. Entire drug classes are also regularly reviewed. Changes to this list can be made from time to time. Positive changes, such as adding drugs to the *Drug List*, occur quarterly after review by our committee. Changes to the *Drug List* that could have an adverse financial impact to you (e.g., drug exclusion, drugs moving to a higher payment tier, or drugs requiring step therapy or prior authorization) occur only annually.

The *Drug List* and any modifications will be made available to you. The Claim Administrator may offer multiple formularies. By accessing the website at [www.bcbsil.com](http://www.bcbsil.com) or calling the customer service toll-free number on your identification card, you will be able to determine the *Drug List* that applies to you and whether a particular drug is on the *Drug List*.

### **Prior Authorization/Step Therapy Requirement**

**Prior Authorization (PA):** Your benefit plan requires prior authorization for certain drugs. This means that your doctor will need to submit a prior authorization request for coverage of these medications and the request will need to be approved before the medication will be covered under the plan. You and your Physician will be notified of the prescription drug administrator's determination. If Medically Necessity criteria is not met, coverage will be denied and you will be responsible for the full charge incurred.

**Step Therapy (ST):** Your benefit plan includes a step therapy program. This means you may need to try another proven, cost-effective medication before coverage may be available for the drug included in the program. Many brands have less-expensive generic or brand alternatives that might be an option for you.

To find out more about prior authorization/step therapy requirements or to determine which drugs or drug classes require prior authorization or step therapy, you should contact your Pharmacy or refer to the *Drug List* by accessing the Claim Administrator's website at [www.bcbsil.com](http://www.bcbsil.com) or call the customer service toll-free number on your identification card. Please refer to the *Drug List* provision of this section for more information about changes to these programs.

### **Dispensing Limits**

Drug dispensing limits are designed to help encourage medication use as intended by the FDA. Coverage limits are placed on medications in certain drug categories. Limits may include: quantity of covered medication per prescription, quantity of covered medication in a given time period, coverage only for members within a certain age range and coverage only for members of a specific gender. The Claim Administrator evaluates and updates dispensing limits quarterly.

If you require a prescription in excess of the dispensing limit established by the Claim Administrator, ask your Health Care Practitioner to submit a request for clinical review on your behalf. The request will be approved or denied after evaluation of the submitted clinical information. If Medically Necessary criteria is not met, you will be responsible for the full cost of the prescription beyond what your coverage allows.

Payment for benefits covered under this section may be denied if drugs are dispensed or delivered in a manner intended to change, or having the effect of changing or circumventing, the stated maximum quantity limitation.

To determine if a specific drug is subject to this limitation, you can refer to the Claim Administrator's website at [www.bcbsil.com](http://www.bcbsil.com) or call the customer service toll-free number on your identification card.

### **Day Supply**

In order to be eligible for coverage under this benefit booklet, the prescribed day supply must be Medically Necessary and must not exceed the maximum day supply limitation prescribed in the benefit booklet. Payment for benefits covered under this Benefit Section may be denied if drugs are dispensed or delivered in a manner intended to change, or having the effect of changing or circumventing, the stated maximum day supply limitation. Specialty Drugs are limited to a 30 day supply. However, early prescription refills of topical eye medication used to treat a chronic condition of the eye will be eligible for coverage after at least 75% of the predicted days of use and the early refills requested do not exceed the total number of refills prescribed by the prescribing Physician or Optometrist.

## **Controlled Substances Limitations**

If it is determined that you may be receiving quantities of controlled substance medications not supported by FDA approved dosages or recognized treatment guidelines, any coverage for additional drugs may be subject to a review for Medical Necessity, appropriateness and other coverage restrictions such as limiting coverage to prescription orders written by a certain Provider and/or dispensed by a certain Participating Pharmacy. For purposes of this provision, controlled substance medications are medications restricted by state or federal laws because of their potential of addiction or misuse.

## **COVERED SERVICES**

In such cases, the Claim Administrator may limit benefits to specific therapeutic equivalents. If you do not accept the therapeutic equivalents that are covered under this Benefit Section, the drug purchased will not be covered under any benefit level.

A separate Copayment Amount will apply to each fill of a medication having a unique strength, dosage, or dosage form.

- the Eligible Charge, or
- the amount for which you are responsible for as described under the **BENEFIT PAYMENT FOR PRESCRIPTION DRUGS** provision later in this Benefit Section.

You may be required to pay for limited or non-Covered Services. No Claim forms are required if you follow the above procedures.

If you are unsure whether a Pharmacy is a Participating Pharmacy, you may access the Claim Administrator's website at [www.bcbsil.com](http://www.bcbsil.com) or call the customer service toll-free number on your identification card.

### Non-Participating Pharmacy

If you choose to have a Prescription Order filled at a Non-Participating Pharmacy, you must pay the Pharmacy the full amount of its bill and submit a Claim form to the Claim Administrator or to the prescription drug administrator with itemized receipts verifying that the Prescription Order was filled. The Claim Administrator will reimburse you for Covered Drugs equal to:

- the Copayment Amount indicated,
- less the amount for which you are responsible for as described under the **BENEFIT PAYMENT FOR PRESCRIPTION DRUGS** provision later in this Benefit Section.

Please refer to the provision entitled "Filing Outpatient Prescription Drug Claims" in the **HOW TO FILE A CLAIM AND APPEALS PROCEDURES** section of this benefit booklet.

## **BENEFITS FOR MEDICARE ELIGIBLE COVERED PERSONS**

This section describes the benefits which will be provided for Medicare Eligible Covered Persons who are not affected by MSP laws, unless otherwise specified in this benefit booklet (see provisions entitled “Medicare Eligible Covered Persons” in the ELIGIBILITY SECTION of this benefit booklet).

The benefits and provisions described throughout this benefit booklet apply to you, however, in determining the benefits to be paid for your Covered Services, consideration is given to the benefits available under Medicare.

The process used in determining benefits under the Health Care Plan is as follows:

1. determine what the payment for a Covered Service would be following the payment provisions of this coverage and
2. deduct from this resulting amount the amount paid or payable by Medicare. (If you are eligible for Medicare, the amount that is available from Medicare will be deducted whether or not you have enrolled and/or received payment from Medicare.) The difference, if any, is the amount that will be paid under the Health Care Plan.

When you have a Claim, you must send the Claim Administrator a copy of your Explanation of Medicare Benefits (“EOMB”) in order for your Claim to be processed. In the event you are eligible for Medicare but have not enrolled in Medicare, the amount that would have been available from Medicare, had you enrolled, will be used.

## EXCLUSIONS - WHAT IS NOT COVERED

Expenses for the following are not covered under your benefit program:

— **Hospitalization, services and supplies which are not Medically Necessary.**

No benefits will be provided for services which are not, in the reasonable judgment of the Claim Administrator, Medically Necessary. Medically Necessary means that a specific medical, health care or Hospital service is required, in the reasonable medical judgment of the Claim Administrator, for the treatment or management of a medical symptom or condition and that the service or care provided is the most efficient and economical service which can safely be provided.

Hospitalization is not Medically Necessary when, in the reasonable medical judgment of the Claim Administrator, the medical services provided did not require an acute Hospital Inpatient (overnight) setting, but could have been provided in a Physician's office, the Outpatient department of a Hospital or some other setting without adversely affecting the patient's condition.

Examples of hospitalization and other health care services and supplies that are not Medically Necessary include:

- Hospital admissions for or consisting primarily of observation and/or evaluation that could have been provided safely and adequately in some other setting, e.g., a Physician's office or Hospital Outpatient department.
- Hospital admissions primarily for diagnostic studies (x-ray, laboratory and pathological services and machine diagnostic tests) which could have been provided safely and adequately in some other setting, e.g., Hospital Outpatient department or Physician's office.
- Continued Inpatient Hospital care, when the patient's medical symptoms and condition no longer require their continued stay in a Hospital.
- Hospitalization or admission to a Skilled Nursing Facility, nursing home or other facility for the primary purposes of providing Custodial Care Service, convalescent care, rest cures or domiciliary care to the patient.
- Hospitalization or admission to a Skilled Nursing Facility for the convenience of the patient or Physician or because care in the home is not available or is unsuitable.
- The use of skilled or private duty nurses to assist in daily living activities, routine supportive care or to provide services for the convenience of the patient and/or his family members.

These are just some examples, not an exhaustive list, of hospitalizations or other services and supplies that are not Medically Necessary.

The Claim Administrator will make the decision whether hospitalization or other health care services or supplies were not Medically Necessary and therefore not eligible for payment under the terms of your health care plan. In most instances this decision is made by the Claim Administrator AFTER YOU HAVE BEEN HOSPITALIZED OR HAVE RECEIVED OTHER HEALTH CARE SERVICES OR SUPPLIES AND AFTER A CLAIM FOR PAYMENT HAS BEEN SUBMITTED.

The fact that your Physician may prescribe, order, recommend, approve or view hospitalization or other health care services and supplies as Medically Necessary does not make the hospitalization, services or supplies Medically Necessary and does not mean that the Claim Administrator will pay the cost of the hospitalization, services or supplies.

If your Claim for benefits is denied on the basis that the services or supplies were not Medically Necessary, and you disagree with the Claim Administrator's decision, your plan provides for an appeal of that decision. You must exercise your right to this appeal as a precondition to the taking of any further action against the Claim Administrator, either at law or in equity. To initiate your appeal, you must give the Claim Administrator written notice of your intention to do so within 180 days after you have been notified that your Claim has been denied by writing to:

Claim Review Section  
Health Care Service Corporation  
P.O. Box 2401  
Chicago, Illinois 60690

You may furnish or submit any additional documentation which you or your Physician believe appropriate.

**REMEMBER, EVEN IF YOUR PHYSICIAN PRESCRIBES, ORDERS, RECOMMENDS, APPROVES OR VIEWS HOSPITALIZATION OR OTHER HEALTH CARE SERVICES AND SUPPLIES AS MEDICALLY NECESSARY, THE CLAIM ADMINISTRATOR WILL NOT PAY FOR THE HOSPITALIZATION, SERVICES AND SUPPLIES IF IT DECIDES THEY WERE NOT MEDICALLY NECESSARY.**

- Services or supplies that are not specifically mentioned in this benefit booklet.
- Services or supplies for any illness or injury arising out of or in the course of employment for which benefits are available under any Workers' Compensation Law or other similar laws whether or not you make a claim for such compensation or receive such benefits. However, this exclusion shall not apply if you are a corporate officer of any domestic or foreign corporation and are employed by the corporation and elect to withdraw yourself from the operation of the Illinois Workers' Compensation Act according to the provisions of the Act.
- Services or supplies that are furnished to you by the local, state or federal government and for any services or supplies to the extent payment or benefits are provided or available from the local, state or federal govern-

ment (for example, Medicare) whether or not that payment or benefits are received, except however, this exclusion shall not be applicable to medical assistance benefits under Article V or VI of the Illinois Public Aid Code (305 ILCS 5/5-1 et seq. or 5/6-1 et seq.) or similar Legislation of any state, benefits provided in compliance with the Tax Equity and Fiscal Responsibility Act or as otherwise provided by law.

## COORDINATION OF BENEFITS SECTION

Coordination of Benefits (COB) applies when you have health care coverage through more than one group program. The purpose of COB is to insure that you receive all of the coverage to which you are entitled but no more than the actual cost of the care received. In other words, the total payment from all of your coverages together will not add up to be more than the total charges that you have incurred. It is your obligation to notify the Claim Administrator of the existence of such other group coverages. COB does not apply to the Out-patient Prescription Drug Program Benefit Section.

To coordinate benefits, it is necessary to determine what the payment responsibility is for each benefit program. This is done by following these rules:

1. The coverage under which the patient is the Eligible Person (rather than a dependent) is primary (that is, full benefits are paid under that program). The other coverage is secondary and only pays any remaining eligible charges.

2. When a dependent child receives services, the coverage under which the father is the Eligible Person is primary.

- However, when the parents are separated or divorced and the parent with custody of the child has not remarried, the benefits of a contract which covers the child as a dependent of the parent with custody of the child will be determined before the benefits of a contract which covers the child as a dependent of the parent without custody;

- when the parents are divorced and the parent with custody of the child has remarried, the benefits of a contract which covers the child as a dependent of the parent with custody shall be determined before the benefits of a contract which covers that child as a dependent of the stepparent, and the benefits of a contract which covers that child as a dependent of the stepparent will be determined before the benefits of a contract which covers that child as a dependent of the parent without custody.

Notwithstanding the items above, if there is a court decree which would otherwise establish financial responsibility for the medical, dental, or other health care expenses with respect to the child, the benefits of a contract which covers the child as a dependent of the parent with such financial responsibility shall be determined before the benefits of any other contract which covers the child as a dependent child. It is the obligation of the person claiming benefits to notify the Claim Administrator, and upon its request to provide a copy, of such court decree.

3. If neither of the above rules apply, then the coverage that has been in effect the longest is primary.

The only time these rules will not apply is if the other group benefit program does not include a COB provision. In that case, the other group program is automatically primary.

The Claim Administrator has the right in administering these COB provisions to:

- pay any other organization an amount which it determines to be warranted if payments which should have been made by the Claim Administrator have been made by such other organization under any other group program.
- recover any overpayment which the Claim Administrator may have made to you, any Provider, insurance company, person or other organization.

# CONTINUATION COVERAGE RIGHTS UNDER COBRA

**This CONTINUATION COVERAGE RIGHTS UNDER COBRA section does not apply to your dependent who is a party to a Civil Union and their children.**

NOTE: Certain employers may not be affected by CONTINUATION OF COVERAGE RIGHTS UNDER COBRA. See your employer or Group Administrator should you have any questions about COBRA.

## Introduction

You are receiving this notice because you have recently become covered under your employer's group health plan (the Plan). This notice contains important information about your right to COBRA continuation coverage, which is a temporary extension of coverage under the Plan. **This notice generally explains COBRA continuation coverage, when it may become available to you and your family, and what you need to do to protect the right to receive it.**

The right to COBRA continuation coverage was created by a federal law, the Consolidated Omnibus Budget Reconciliation Act of 1985 (COBRA). COBRA continuation coverage can become available to you when you would otherwise lose your group health coverage. It can also become available to other members of your family who are covered under the Plan when they would otherwise lose their group health coverage.

For additional information about your rights and obligations under the Plan and under federal law, you should review the Plan's Summary Plan Description or contact the Plan Administrator.

## What Is COBRA Continuation Coverage?

COBRA continuation coverage is a continuation of Plan coverage when coverage would otherwise end because of a life event known as a "qualifying event." Specific qualifying events are listed later in this notice. After a qualifying event, COBRA continuation coverage must be offered to each person who is a "qualified beneficiary." You, your spouse, and your dependent children could become qualified beneficiaries if coverage under the Plan is lost because of the qualifying event. Under the Plan, qualified beneficiaries who elect COBRA continuation coverage must pay for COBRA continuation coverage.

If you are an employee, you will become a qualified beneficiary if you lose your coverage under the Plan because either one of the following qualifying events happens:

- Your hours of employment are reduced; or
- Your employment ends for any reason other than your gross misconduct.

If you are the spouse of an employee, you will become a qualified beneficiary if you lose your coverage under the Plan because any of the following qualifying events happens:

- Your spouse dies;
- Your spouse's hours of employment are reduced;
- Your spouse's employment ends for any reason other than his or her gross misconduct;
- Your spouse becomes enrolled in Medicare benefits (under Part A, Part B, or both); or
- You become divorced or legally separated from your spouse.

Your dependent children will become qualified beneficiaries if they lose coverage under the Plan because any of the following qualifying events happen:

- The parent-employee dies;
- The parent-employee's hours of employment are reduced;
- The parent-employee's employment ends for any reason other than his or her gross misconduct;
- The parent-employee becomes enrolled in Medicare benefits (under Part A, Part B, or both);
- The parents become divorced or legally separated; or
- The child stops being eligible for coverage under the Plan as a "dependent child."

If the Plan provides health care coverage to retired employees, the following applies: Sometimes, filing a proceeding in bankruptcy under title 11 of the United States Code can be a qualifying event. If a proceeding in bankruptcy is filed with respect to your employer, and that bankruptcy results in the loss of coverage of any retired employee covered under the Plan, the retired employee will become a qualified beneficiary with respect to the bankruptcy. The retired employee's spouse, surviving spouse, and dependent children will also become qualified beneficiaries if bankruptcy results in the loss of their coverage under the Plan.

### **When Is COBRA Coverage Available?**

The Plan will offer COBRA continuation coverage to qualified beneficiaries only after the Plan Administrator has been notified that a qualifying event has occurred. When the qualifying event is the end of employment or reduction of hours of employment, death of the employee, in the event of retired employee health coverage, commencement of a proceeding in bankruptcy with respect to the employer, or the employee's becoming entitled to Medicare benefits (under Part A, Part B, or both), the employer must notify the Plan Administrator of the qualifying event.

## **You Must Give Notice of Some Qualifying Events**

For the other qualifying events (divorce or legal separation of the employee and spouse or a dependent child's losing eligibility for coverage as a dependent child), you must notify the Plan Administrator within 60 days after the qualifying event occurs. Contact your employer and/or COBRA Administrator for procedures for this notice, including a description of any required information or documentation.

## **How Is COBRA Coverage Provided?**

Once the Plan Administrator receives notice that a qualifying event has occurred, COBRA continuation coverage will be offered to each of the qualified beneficiaries. Each qualified beneficiary will have an independent right to elect COBRA continuation coverage. Covered employees may elect COBRA continuation coverage on behalf of their spouses, and parents may elect COBRA continuation coverage on behalf of their children.

COBRA continuation coverage is a temporary continuation of coverage. When the qualifying event is the death of the employee, the employee's becoming entitled to Medicare benefits (under Part A, Part B, or both), your divorce or legal separation, or a dependent child's losing eligibility as a dependent child, COBRA continuation coverage lasts for up to 36 months.

When the qualifying event is the end of employment or reduction of the employee's hours of employment, and the employee became entitled to Medicare benefits less than 18 months before the qualifying event, COBRA continuation coverage for qualified beneficiaries other than the employee lasts until 36 months after the date of Medicare entitlement. For example, if a covered employee becomes entitled to Medicare 8 months before the date on which his employment terminates, COBRA continuation coverage for his spouse and children can last up to 36 months after the date of Medicare entitlement, which is equal to 28 months after the date of the qualifying event (36 months minus 8 months). Otherwise, when the qualifying event is the end of employment or reduction of the employee's hours of employment, COBRA continuation coverage generally lasts for only up to a total of 18 months. There are two ways in which this 18-month period of COBRA continuation coverage can be extended.

## **Disability Extension Of 18-Month Period Of Continuation Coverage**

If you or anyone in your family covered under the Plan is determined by the Social Security Administration to be disabled and you notify the Plan Administrator in a timely fashion, you and your entire family may be entitled to receive up to an additional 11 months of COBRA continuation coverage, for a total maximum of 29 months. The disability would have to have started at some time before the 60th day of COBRA continuation coverage and must last at least until the end of the 18-month period of continuation coverage. Contact your employer and/or the COBRA Administrator for procedures for this notice, including a description of any required information or documentation.

## **Second Qualifying Event Extension Of 18-Month Period Of Continuation Coverage**

If your family experiences another qualifying event while receiving 18 months of COBRA continuation coverage, the spouse and dependent children in your family can get up to 18 additional months of COBRA continuation coverage, for a maximum of 36 months, if notice of the second qualifying event is properly given to the Plan. This extension may be available to the spouse and dependent children receiving continuation coverage if the employee or former employee dies, becomes entitled to Medicare benefits (under Part A, Part B, or both), or gets divorced or legally separated or if the dependent child stops being eligible under the Plan as a dependent child, but only if the event would have caused the spouse or dependent child to lose coverage under the Plan had the first qualifying event not occurred.

### **If You Have Questions**

Questions concerning your Plan or your COBRA continuation coverage rights, should be addressed to your Plan Administrator. For more information about your rights under ERISA, including COBRA, the Health Insurance Portability and Accountability Act (HIPAA), and other laws affecting group health plans, contact the nearest Regional or District Office of the U. S. Department of Labor's Employee Benefits Security Administration (EBSA) in your area or visit the EBSA website at [www.dol.gov/ebsa](http://www.dol.gov/ebsa). (Addresses and phone numbers of Regional and District EBSA Offices are available through EBSA's website.)

### **Keep Your Plan Informed Of Address Changes**

In order to protect your family's rights, you should keep the Plan Administrator informed of any changes in the addresses of family members. You should also keep a copy, for your records, of any notices you send to the Plan Administrator.

### **Plan Contact Information**

Contact your employer for the name, address and telephone number of the party responsible for administering your COBRA continuation coverage.

## **CONTINUATION OF COVERAGE FOR PARTIES TO A CIVIL UNION**

The purpose of this section of your benefit booklet is to explain the options available for temporarily continuing your coverage after termination, if you are covered under this benefit booklet as the party to a Civil Union of an Eligible Person or as the dependent child of a party to a Civil Union. Your continued coverage under this benefit booklet will be provided only as specified below. Please read the provisions very carefully.

### **Continuation of Coverage**

If you are a dependent who is party to a Civil Union or their child and you lose coverage under this benefit booklet, you have the same options as the spouse or dependent child of an Eligible Person to continue your coverage. The options available to a spouse or a dependent child are described in the CONTINUATION COVERAGE RIGHTS UNDER COBRA section, if applicable to your Group.

**NOTE:** Certain employers may not be required to offer COBRA continuation coverage. See your Group Administrator if you have any questions about COBRA.

In addition to the events listed in the CONTINUATION COVERAGE RIGHTS UNDER COBRA section, if applicable, continuation of coverage is available to you and your dependent children in the event you lose coverage because your Civil Union Partnership with the Eligible Person terminates. Your Civil Union Partnership will terminate if your partnership no longer meets the criteria described in the definition of "Civil Union" in the DEFINITIONS SECTION of this benefit booklet. You are entitled to continue coverage for the same period of time as a spouse or child who loses coverage due to divorce.

## HOW TO FILE A CLAIM

In order to obtain your benefits under this Health Care Plan, it is necessary for a Claim to be filed with the Claim Administrator. To file a Claim, usually all you will have to do is show your ID card to your Hospital or Physician (or other Provider). They will file your Claim for you. Remember however, it is your responsibility to insure that the necessary Claim information has been provided to the Claim Administrator.

Once the Claim Administrator receives your Claim, it will be processed and the benefit payment will usually be sent directly to the Hospital or Physician. You will receive a statement telling you how much was paid. In some cases the Claim Administrator will send the payment directly to you or if applicable, in the case of a Qualified Medical Child Support Order, to the designated representative as it appears on the Claim Administrator's records.

In certain situations, you will have to file your own Claims. This is primarily true when you are receiving services or supplies from Providers other than a Hospital or Physician. An example would be when you have had ambulance expenses. To file your own Claim, follow these instructions:

1. Complete a Claim Form. These are available from your Employee Benefits Department or from the Claim Administrator's office.
2. Attach copies of all bills to be considered for benefits. These bills must include the Provider's name and address, the patient's name, the diagnosis, the date of service and a description of the service and the Claim Charge.
3. Mail the completed Claim Form with attachments to:

Blue Cross and Blue Shield of Illinois  
P. O. Box 805107  
Chicago, Illinois 60680-4112

In any case, Claims should be filed with the Claim Administrator on or before December 31st of the calendar year following the year in which your Covered Service was rendered. (A Covered Service furnished in the last month of a particular calendar year shall be considered to have been furnished the succeeding calendar year.) **Claims not filed within the required time period will not be eligible for payment.**

Should you have any questions about filing Claims, ask your Employee Benefits Department or call the Claim Administrator's office.

### FILING OUTPATIENT PRESCRIPTION DRUG CLAIMS

In certain situations, you will have to file your own Claims in order to obtain benefits for Outpatient prescription drugs. This is primarily true when you did not receive an identification card, the Pharmacy was unable to transmit a Claim

or you received benefits from a non-Participating Prescription Drug Provider. To do so, follow these instructions:

1. Complete a prescription drug Claim Form. These forms are available from your Employee Benefits Department or from the Claim Administrator's office.
2. Attach copies of all Pharmacy receipts to be considered for benefits. These receipts must be itemized.
3. Mail the completed Claim Form with attachments to:

Blue Cross and Blue Shield of Illinois  
P.O. Box 14624  
Lexington, KY 40512-4624

In any case, Claims must be filed no later than one year after the date a service is received. Claims not filed within one year from the date a service is received will not be eligible for payment.

## **CLAIMS PROCEDURES**

The Claim Administrator will pay all Claims within 30 days of receipt of all information required to process a Claim. In the event that the Claim Administrator does not process a Claim within this 30-day period, you or the valid assignee shall be entitled to interest at the rate of 9% per year, from the 30th day after the receipt of all Claim information until the date payment is actually made. However, interest payment will not be made if the amount is \$1.00 or less. The Claim Administrator will notify you or the valid assignee when all information required to pay a Claim within 30 days of the Claim's receipt has not been received. (For information regarding assigning benefits, see "Payment of Claims and Assignment of Benefits" provisions in the GENERAL PROVISIONS section of this benefit booklet.)

If the Claim is denied in whole or in part, you will receive a notice from the Claim Administrator with: (1) the reasons for denial; (2) a reference to the health care plan provisions on which the denial is based; (3) a description of additional information which may be necessary to perfect the appeal, and (4) an explanation of how you may have the Claim reviewed by the Claim Administrator if you do not agree with the denial.

## **CLAIM REVIEW PROCEDURES**

If your Claim has been denied in whole or in part, you may have your Claim reviewed. The Claim Administrator will review its decision in accordance with the following procedure.

Within 180 days after you receive notice of a denial or partial denial, write to the Claim Administrator. The Claim Administrator will need to know the reasons why you do not agree with the denial or partial denial. Send your request to:

Claim Review Section  
Health Care Service Corporation  
P.O. Box 2401  
Chicago, Illinois 60690

You may also designate a representative to act for you in the review procedure. Your designation of a representative must be in writing as it is necessary to protect against disclosure of information about you except to your authorized representative.

While the Claim Administrator will honor telephone requests for information, such inquiries will not constitute a request for review.

You and your authorized representative may ask to see relevant documents and may submit written issues, comments and additional medical information within 180 days after you receive notice of a denial or partial denial. The Claim Administrator will give you a written decision within 60 days after it receives your request for review.

If you have any questions about the Claims procedures or the review procedure, write or call the Claim Administrator Headquarters. The Claim Administrator offices are open from 8:45 A.M. to 4:45 P.M., Monday through Friday.

Blue Cross and Blue Shield of Illinois  
300 East Randolph  
Chicago, IL 60601

If you have a Claim for benefits which is denied or ignored, in whole or in part, you may file suit in a state or federal court.

## GENERAL PROVISIONS

### 1. CLAIM ADMINISTRATOR'S SEPARATE FINANCIAL ARRANGEMENTS WITH PROVIDERS

The Claim Administrator hereby informs you that it has contracts with certain Providers (“Administrator Providers”) in its service area to provide and pay for health care services to all persons entitled to health care benefits under health policies and contracts to which the Claim Administrator is a party, including all persons covered under the Health Care Plan. Under certain circumstances described in its contracts with Administrator Providers, the Claim Administrator may:

- receive substantial payments from Administrator Providers with respect to services rendered to you for which the Claim Administrator was obligated to pay the Administrator Provider, or
- pay Administrator Providers substantially less than their Claim Charges for services, by discount or otherwise, or
- receive from Administrator Providers other substantial allowances under the Claim Administrator’s contracts with them.

In the case of Hospitals and other facilities, the calculation of any out-of-pocket maximums or any maximum amounts of benefits payable by the Claim Administrator as described in this benefit booklet and the calculation of all required deductible and Coinsurance amounts payable by you as described in this benefit booklet shall be based on the Eligible Charge or Provider’s Claim Charge for Covered Services rendered to you, reduced by the Average Discount Percentage (“ADP”) applicable to your Claim or Claims. Your Employer has been advised that the Claim Administrator may receive such payments, discounts and/or other allowances during the term of the agreement between your Employer and the Claim Administrator. Neither the Employer nor you are entitled to receive any portion of any such payments, discounts and/or other allowances in excess of the ADP.

To help you understand how the Claim Administrator’s separate financial arrangements with Providers work, please consider the following example:

- a. Assume you go into the Hospital for one night and the normal, full amount the Hospital bills for Covered Services is \$1,000. How is the \$1,000 bill paid?
- b. You personally will have to pay the deductible and Coinsurance amounts set out in your benefit booklet.
- c. However, for purposes of calculating your deductible and Coinsurance amounts, and whether you have reached any out-of-pocket or benefit maximums, the Hospital’s Eligible Charge would be reduced by the ADP applicable to your Claim. In our example, if the applicable ADP were 30%, the \$1,000 Hospital bill would be reduced by 30% to \$700 for purposes of calculating your deductible and Coinsurance amounts, and whether you have reached any out-of-pocket or benefit maximums.

- d. Assuming you have already satisfied your deductible, you will still have to pay the Coinsurance portion of the \$1,000 Hospital bill after it has been reduced by the ADP. In our example, if your Coinsurance obligation is 20%, you personally will have to pay 20% of \$700, or \$140. You should note that your 20% Coinsurance is based on the full \$1,000 Hospital bill, after it is reduced by the applicable ADP.
- e. After taking into account the deductible and Coinsurance amounts, the Claim Administrator will satisfy its portion of the Hospital bill. In most cases, the Claim Administrator has a contract with Hospitals that allows it to pay less, and requires the Hospital to accept less, than the amount of money the Claim Administrator would be required to pay if it did not have a contract with the Hospital.

So, in the example we are using, since the full Hospital bill is \$1,000, your deductible has already been satisfied, and your Coinsurance is \$140, then the Claim Administrator has to satisfy the rest of the Hospital bill, or \$860. Assuming the Claim Administrator has a contract with the Hospital, the Claim Administrator will usually be able to satisfy the \$860 bill that remains after your Coinsurance and deductible, by paying less than \$860 to the Hospital, often substantially less than \$860. The Claim Administrator receives, and keeps for its own account, the difference between the \$860 bill and whatever the Claim Administrator ultimately pays under its contracts with Administrator Providers, and neither you nor your Employer are entitled to any part of these savings.

### **BlueCard® Program**

Under the BlueCard® Program, when you access Covered Services within the geographic area served by a Host Blue, Claim Administrator will remain responsible for fulfilling our contractual obligations. However, the Host Blue is responsible for contracting with and generally handling all interactions with its participating Providers.

Whenever you access Covered Services outside the Claim Administrator's service area and the claim is processed through the BlueCard Program, the amount you pay for Covered Services is calculated based on the lower of:

- The billed charges for your Covered Services, or
- The negotiated price that the Host Blue passes on to the Claim Administrator.

To help you understand how this calculation would work, please consider the following example:

- a. Suppose you receive Covered Services for an illness while you are on vacation outside of Illinois. You show your identification card to the provider to let him or her know that you are covered by the Claim Administrator.
- b. The provider has negotiated with the Host Blue a price of \$80, even though the provider's standard charge for this service is \$100. In this example, the provider bills the Host Blue \$100.

- c. The Host Blue, in turn, forwards the claim to the Claim Administrator and indicates that the negotiated price for the covered service is \$80. The Claim Administrator would then base the amount you must pay for the service – the amount applied to your deductible, if any, and your coinsurance percentage – on the \$80 negotiated price, not the \$100 billed charge.
- d. So, for example, if your coinsurance is 20%, you would pay \$16 (20% of \$80), not \$20 (20% of \$100). You are not responsible for amounts over the negotiated price for a covered service.

PLEASE NOTE: The coinsurance percentage in the above example is for illustration purposes only. The example assumes that you have met your deductible and that there are no copayments associated with the service rendered. Your deductible(s), Coinsurance and Copayment(s) are specified in this benefit booklet.

Often, this “negotiated price” will be a simple discount that reflects an actual price that the Host Blue pays to your healthcare provider. Sometimes, it is an estimated price that takes into account special arrangements with your healthcare provider or provider group that may include types of settlements, incentive payments, and/or other credits or charges. Occasionally, it may be an average price, based on a discount that results in expected average savings for similar types of healthcare providers after taking into account the same types of transactions as with an estimated price.

Estimated pricing and average pricing, going forward, also take into account adjustments to correct for over – or underestimation of modifications of past pricing for the types of transaction modifications noted above. However, such adjustments will not affect the price we use for your claim because they will not be applied retroactively to claims already paid.

Federal law or the laws in a small number of states may require the Host Blue to add a surcharge to your calculation. If federal law or any state laws mandate other liability calculation methods, including a surcharge, we would then calculate your liability for any Covered Services according to applicable law.

## **Non-Participating Healthcare Providers Outside The Claim Administrator’s Service Area**

### **a. Liability Calculation**

#### **(1) In General**

When Covered Services are provided outside of Claim Administrator’s service area by non-participating Providers, the amount(s) you pay for such services will be calculated using the methodology described in the Booklet for non-participating Providers located inside our service area. You may be responsible for the difference between the amount that the non-participating Provider bills and the payment Claim Administrator will make for the Covered Services as set forth in this paragraph.

## (2) Exceptions

In some exception cases, Claim Administrator may, but is not required to, in its sole and absolute discretion, negotiate a payment with such non-participating Provider on an exception basis.

### **Value-Based Programs BlueCard® Program**

If you receive Covered Services under a Value-Based Program inside a Host Blue's service area, you will not bear any portion of the Provider Incentives, risk-sharing, and/or Care Coordinator Fees of such arrangement, except when a Host Blue passes these fees to the Claim Administrator through average pricing or fee schedule incentive adjustments.

Under the Agreement Employer has with Blue Cross and Blue Shield of Illinois, Blue Cross and Blue Shield of Illinois and Employer will not impose cost sharing for Care Coordinator Fees.

### **BlueCard Worldwide® Program**

If you are outside the United States, the Commonwealth of Puerto Rico, and the U.S. Virgin Islands (hereinafter "BlueCard service area"), you may be able to take advantage of the BlueCard Worldwide® Program when accessing Covered Services. The BlueCard Worldwide® Program is unlike the BlueCard Program available in the BlueCard service area in certain ways. For instance, although the BlueCard Worldwide Program assists you with accessing a network of inpatient, outpatient and professional providers, the network is not served by a Host Blue. As such, when you receive care from providers outside the BlueCard service area, you will typically have to pay the providers and submit the claims yourself to obtain reimbursement for these services.

If you need medical assistance services (including locating a doctor or hospital) outside the BlueCard service area, you should call the BlueCard Worldwide Service Center at 1.800.810.BLUE (2583) or call collect at 1.804.673.1177, 24 hours a day, seven days a week. An assistance coordinator, working with a medical professional, can arrange a physician appointment or hospitalization, if necessary.

### **Inpatient Services**

In most cases, if you contact the BlueCard Worldwide Service Center for assistance, hospitals will not require you to pay for covered inpatient services, except for your cost-share amounts/deductibles, coinsurances, etc. In such cases, the hospital will submit your claims to the BlueCard Worldwide Service Center to begin claims processing. However, if you paid in full at the time of service, you must submit a claim to receive reimbursement for Covered Services. **You must contact the Claim Administrator to obtain precertification for non-emergency inpatient services.**

### **Outpatient Services**

Outpatient Services are available for Emergency Care. Physicians, urgent care centers and other Outpatient Providers located outside the BlueCard

service area will typically require you to pay in full at the time of service. You must submit a claim to obtain reimbursement for Covered Services.

### **Submitting a BlueCard Worldwide Claim**

When you pay for Covered Services outside the BlueCard service area, you must submit a claim to obtain reimbursement. For institutional and professional claims, you should complete a BlueCard Worldwide International claim form and send the claim form with the provider's itemized bill(s) to the BlueCard Worldwide Service Center (the address is on the form) to initiate claims processing. Following the instructions on the claim form will help ensure timely processing of your claim. The claim form is available from the Plan, the BlueCard Worldwide Service Center or online at [www.bluecardworldwide.com](http://www.bluecardworldwide.com). If you need assistance with your claim submission, you should call the BlueCard Worldwide Service Center at 1.800.810.BLUE (2583) or call collect at 1.804.673.1177, 24 hours a day, seven days a week.

## **2. THE CLAIM ADMINISTRATOR'S SEPARATE FINANCIAL ARRANGEMENTS REGARDING PRESCRIPTION DRUGS**

### **Claim Administrator's Separate Financial Arrangements with Prescription Drug Providers**

The Claim Administrator hereby informs you that it has contracts, either directly or indirectly, with Prescription Drug Providers ("Participating Prescription Drug Providers") to provide prescription drug services to all persons entitled to prescription drug benefits under health policies and contracts to which the Claim Administrator is a party, including all persons covered under this Health Care Plan. Under its contracts with Participating Prescription Drug Providers, the Claim Administrator may receive from these Providers discounts for prescription drugs dispensed to you. Actual discounts used to calculate your share of the cost of prescription drugs will vary. Some discounts are currently based on Average Wholesale Price ("AWP") which is determined by a third party and is subject to change. You understand that the Claim Administrator may receive such discounts. Neither the Employer nor you are entitled to receive any portion of any such payments, discounts and/or other allowances.

For the home delivery pharmacy and specialty pharmacy program owned by Prime, Prime retains the difference between its acquisition cost and the negotiated prices as its fee for the various administrative services provided as part of the home delivery pharmacy and/or specialty pharmacy program. The Claim Administrator pays a fee to Prime for pharmacy benefit services. A portion of Prime's PBM fees are tied to certain performance standards, including, but not limited to, Claims processing, customer service response, and home delivery processing.

"Weighted Paid Claim" refers to the methodology of counting Claims for purposes of determining the Claim Administrator's fee payment to Prime. Each retail (including Claims dispensed through PBM's Specialty Pharmacy program) paid Claim will be weighted according to the days' supply dispensed. A paid Claim is weighted in 34 day supply increments, so a

1-34 days' supply is considered 1 weighted Claim, a 35-68 days' supply is considered 2 weighted Claims, and the pattern continues up to 6 weighted Claims for 171 or more days' supply. The Claim Administrator pays Prime a Program Management Fee ("PMF") on a per weighted Claim basis.

The amounts received by Prime from the Claim Administrator, Pharmacies, manufacturers or other third parties may be revised from time to time. Some of the amounts received by Prime may be charged each time a Claim is processed (or, in some instances, requested to be processed) through Prime and/or each time a prescription is filled, and include, but are not limited to, administrative fees charged by Prime to the Claim Administrator (as described above), administrative fees charge by Prime to Pharmacies and administrative fees charged by prime to pharmaceutical manufacturers. Currently, none of these fees will be passed on to you as expenses, or accrue to the benefit of you, unless otherwise specifically set forth in this benefit booklet. Additional information about these types of fees or the amount of these fees is available upon request. The maximum that Prime will receive from any pharmaceutical manufacturer for certain administrative fees will be 3% of the total sales for all rebatable products of such manufacturer dispensed during any given calendar year to members of the Claim Administrator and other Blue Plan operating divisions.

### **Claim Administrator's Separate Financial Arrangements with Pharmacy Benefit Managers**

The Claim Administrator owns a significant portion of the equity of Prime Therapeutics LLC and informs you that the Claim Administrator has entered into one or more agreements with Prime Therapeutics LLC or other entities (collectively referred to as "Pharmacy Benefit Managers") to provide, on the Claim Administrator's behalf, Claim Payments and certain administrative services for your prescription drug benefits. Pharmacy Benefit Managers have agreements with pharmaceutical manufacturers to receive rebates for using their products. The Pharmacy Benefit Manager may share a portion of those rebates with the Claim Administrator. Neither the Employer nor you are entitled to receive any portion of such rebates as they are figured into the pricing of the product.

Prime negotiates rebate contracts with pharmaceutical manufacturers on behalf of the Claim Administrator, but does not retain any rebates (although Prime may retain any interest or late fees earned on rebates received from manufactures to cover the administrative costs of processing late payments). The Claim Administrator may receive such rebates from Prime. You are not entitled to receive any portion of any such rebates as they are calculated into the pricing of the product.

## **3. PAYMENT OF CLAIMS AND ASSIGNMENT OF BENEFITS**

- a. Under this Health Care Plan, the Claim Administrator has the right to make any benefit payment either to you or directly to the Provider of the Covered Services. For example, the Claim Administrator may pay benefits to you if you receive Covered Services from a Non-Adminis-

trator Provider. The Claim Administrator is specifically authorized by you to determine to whom any benefit payment should be made.

- b. Once Covered Services are rendered by a Provider, you have no right to request the Claim Administrator not to pay the Claim submitted by such Provider and no such request will be given effect. In addition, the Claim Administrator will have no liability to you or any other person because of its rejection of such request.
- c. A Covered Person's claim for benefits under this Health Care Plan is expressly non-assignable and non-transferable in whole or in part to any person or entity, including any Provider, at anytime before or after Covered Services are rendered to a Covered Person. Coverage under this Health Care Plan is expressly non-assignable and non-transferable and will be forfeited if you attempt to assign or transfer coverage or aid or attempt to aid any other person in fraudulently obtaining coverage. Any such assignment or transfer of a claim for benefits or coverage shall be null and void.

#### **4. YOUR PROVIDER RELATIONSHIPS**

- a. The choice of a Provider is solely your choice and the Claim Administrator will not interfere with your relationship with any Provider.
- b. The Claim Administrator does not itself undertake to furnish health care services, but solely to make payments to Providers for the Covered Services received by you. The Claim Administrator is not in any event liable for any act or omission of any Provider or the agent or employee of such Provider, including, but not limited to, the failure or refusal to render services to you. Professional services which can only be legally performed by a Provider are not provided by the Claim Administrator. Any contractual relationship between a Physician and an Administrator Provider shall not be construed to mean that the Claim Administrator is providing professional service.
- c. The use of an adjective such as Participating, Administrator or approved in modifying a Provider shall in no way be construed as a recommendation, referral or any other statement as to the ability or quality of such Provider. In addition, the omission, non-use or non-designation of Participating, Administrator, approved or any similar modifier or the use of a term such as Non-Administrator or Non-Participating should not be construed as carrying any statement or inference, negative or positive, as to the skill or quality of such Provider.
- d. Each Provider provides Covered Services only to you and does not deal with or provide any services to your Employer (other than as an individual Covered Person) or your Employer's ERISA Health Benefit Program.

#### **5. NOTICES**

Any information or notice which you furnish to the Claim Administrator under the Health Care Plan as described in this benefit booklet must be in writing and sent to the Claim Administrator at its offices at 300 East Ran-

dolph, Chicago, Illinois 60601 (unless another address has been stated in this benefit booklet for a specific situation). Any information or notice which the Claim Administrator furnishes to you must be in writing and sent to you at your address as it appears on the Claim Administrator's records or in care of your Employer and if applicable, in the case of a Qualified Medical Child Support Order, to the designated representative as it appears on the Claim Administrator's records. The Claim Administrator may also provide such notices electronically to the extent permitted by applicable law.

## **6. LIMITATIONS OF ACTIONS**

No legal action may be brought to recover under the Health Care Plan as described in this benefit booklet, prior to the expiration of sixty (60) days after a Claim has been furnished to the Claim Administrator in accordance with the requirements described in this benefit booklet. In addition, no such action shall be brought after the expiration of three (3) years after the time a Claim is required to be furnished to the Claim Administrator in accordance with the requirements described in this benefit booklet.

## **7. INFORMATION AND RECORDS**

You agree that it is your responsibility to insure that any Provider, other Blue Cross and Blue Shield Plan, insurance company, employee benefit association, government body or program, any other person or entity, having knowledge of or records relating to (a) any illness or injury for which a Claim or Claims for benefits are made under the Health Care Plan, (b) any medical history which might be pertinent to such illness, injury, Claim or Claims, or (c) any benefits or indemnity on account of such illness or injury or on account of any previous illness or injury which may be pertinent to such Claim or Claims, furnish to the Claim Administrator or its agent, and agree that any such Provider, person or other entity may furnish to the Claim Administrator or its agent, at any time upon its request, any and all information and records (including copies of records) relating to such illness, injury, Claim or Claims. In addition, the Claim Administrator may furnish similar information and records (or copies of records) to Providers, Blue Cross and Blue Shield Plans, insurance companies, governmental bodies or programs or other entities providing insurance-type benefits requesting the same. It is also your responsibility to furnish the Claim Administrator and/or your Employer or group administrator information regarding your or your dependents becoming eligible for Medicare, termination of Medicare eligibility or any changes in Medicare eligibility status in order that the Claim Administrator be able to make Claim Payments in accordance with MSP laws.

## **8. VALUE BASED DESIGN PROGRAMS**

The Claim Administrator and your Employer has the right to offer medical management programs, a quality improvement programs and health behavior wellness, maintenance, or improvement program that allows for a reward, a contribution, a penalty, a differential in premiums or medical, prescription drug or equipment Copayments, Coinsurance or deductibles,

or costs or a combination of these incentives or disincentives for participation in any such program offered or administered by the Claim Administrator or an entity chosen by the Claim Administrator to administer such program. In addition, discount programs for various health and wellness-related or insurance-related or other items and services may be available from time-to-time. Such programs may be discontinued with or without notice.

Contact your Employer for additional information regarding any value based programs offered by your Employer.

## REIMBURSEMENT PROVISION

If you or one of your covered dependents incur expenses for sickness or injury that occurred due to negligence of a third party and benefits are provided for Covered Services described in this benefit booklet, you agree:

- a. the Claim Administrator has the rights to reimbursement for all benefits the Claim Administrator provided from any and all damages collected from the third party for those same expenses whether by action at law, settlement, or compromise, by you or your legal representative as a result of sickness or injury, in the amount of the total Eligible Charge or Provider's Claim Charge for Covered Services for which the Claim Administrator has provided benefits to you, reduced by any Average Discount Percentage ("ADP") applicable to your Claim or Claims.
- b. the Claim Administrator is assigned the right to recover from the third party, or his or her insurer, to the extent of the benefits the Claim Administrator provided for that sickness or injury.

The Claim Administrator shall have the right to first reimbursement out of all funds you, your covered dependents or your legal representative, are or were able to obtain for the same expenses for which the Claim Administrator has provided benefits as a result of that sickness or injury.

You are required to furnish any information or assistance or provide any documents that the Claim Administrator may reasonably require in order to obtain our rights under this provision. This provision applies whether or not the third party admits liability. (See provisions of this benefit booklet regarding "Claim Administrator's Separate Financial Arrangements with Providers.")
