How to Log into Canvas as a Student Using a Chromebook

Log into your Chromebook using your student Google Username and Password.

Once you have logged in, the District website will be on the page. Scroll down near the bottom of the page and under Find it Fast, click the Student button.

Under Login To.... Click Canvas
How to Log into Canvas as a Student Using a Chromebook

From the Canvas Login page, under Students, click Login With Google. This will bring you right to Canvas.

You are now in your Canvas Dashboard. Once the teacher assigns the course, you will see it listed here. Enjoy your course!
