

Dear Parents/Guardians,

I am writing to inform you that your son/daughter has been marked ineligible on \_\_\_\_\_ from participation in athletic contests. Your child is ineligible due to continued probation and a failing grade in at least one content area. Another evaluation will occur to determine if the grade(s) have been elevated to a passing grade. If the failing grade has improved to a D or better, the student-athlete will be determined eligible, able to compete in athletic contests, immediately. Failure to correct the deficiencies in the specified class(es) or failing grades occurring in an additional class, will result in continued ineligibility.

It is important to us that your child is maintaining passing grades in all of their classes during the athletic season. Attached is a list of classes in which your child has received a failing grade. Many times it is best to speak directly to the teacher to fully understand your child's performance. If you would like to discuss this further, please feel free to email the coaches/teacher directly or call the school office at (630) 420-6390. Your email/call will be returned as soon as possible.

Please sign the bottom portion of this paper and return it to your child's coach.

Thank you for your assistance and support,

*Gina Pellegrino & Jeff Burke*
