

WJHS Athletic Eligibility

THE PROCESS

- 1** The Athletic Directors (ADs) will run Eligibility for all student-athletes at 3:00pm every other Wednesday of the season. All student-athletes with a failing grade(s) in any class will be identified.
- 2** The ADs will complete a Probation or Ineligibility letter which will then be passed on to Head Coaches to send home with student-athletes.
- 3** Coaches will pass out letters to the student-athletes with a failing grade(s) by Friday at 3:00pm. Letters are to be signed and returned by the student-athlete no later than the following Monday.
- 4** If there are any discrepancies with grades, it is the student-athlete's responsibility to discuss the issue further with the teacher and obtain a signature on the Probation or Ineligibility letter indicating that the issue was resolved.
- 5** Teachers have up to one week to update their grades in Infinite Campus should a student-athlete approach them with any missing or late work. Teachers are not responsible for updating grades the day that they are approached.
