

EARLY COLLEGE PROGRAM

Summer 2018 CLASSES

Expand your current interests and **discover the amazing things that happen** when you are surrounded by a **creative community** that helps you develop not only technical skills but **the meaning behind the work** you create.

Summer classes include: Figure Drawing, Artist Materials and Techniques, Water-Based Painting, Digital Photography, Drawing, Fashion Illustration, From Drawing to Painting, Moving Images, Creative Writing, Architecture, Artist Books, Oil Painting, Fashion Design and Construction, and Advanced Projects.

Why SAIC's Early College Program (ECP)?

Ideas Matter Here—with us you have the freedom to explore across all media.

ECP Faculty—professional and practicing artists, designers, and scholars who are passionate about teaching.

Access to the Art Institute of Chicago Museum—the world's third largest art museum, recently voted the best museum in the world by TripAdvisor.

Preparation—the skills you learn will help you in the classroom and assist you in preparing a portfolio of work should you be interested in pursuing art and design and the college level.

All students in grades 9-12 may register for noncredit. Students who have completed their sophomore year have the option of enrolling for one college credit per course.
