

Chinese Language Immersion Summer Program

STARTALK Nurture Program

is a federal government subsidized language program that provides a vigorous but fun Chinese Language Immersion Program. Students will learn the richness of Chinese culture through an array of cultural activities in an environment designed to achieve the best learning results. Join in and **STARTALK** one of the most popular languages in the world! More than 1.2 billion people speak it;

Would you like to learn it too?

Benefits

- ❖ A jump start to learning Chinese language: reading, writing, speaking, listening, and typing;
- ❖ Develop a global vision, sensitivity to foreign cultures, and lifelong interest in learning Chinese;
- ❖ Participate in a fulfilling and enriching learning experience.
