

GEMS & STEM

Workshop

Thursday April 11, 2019

NCHS Learning Commons

3:30pm – 4:45 pm

Naperville Central GEMS (Girl Engineers Mathematicians & Scientist) Club is hosting a STEM Workshop for girls k- 3rd grade. We will have many interactive stations in which young girls will explore science and engineering in fun and surprising ways. High school GEMS members will work with the participants as mentors to share their passion for all things STEM!

This workshop is designed to help earn badges for Girl Scout Daisies through Juniors, but you don't have to be in a troop to join the fun! Cost is \$1 per participant.
