

HAPPY HOLIDOGS!

A one-day camp for children ages 8-11
at Naperville Area Humane Society

Calling all children ages 8-11 years old! Happy Holidogs is a one-day camp at Naperville Area Humane Society (NAHS) where children spend some fun time doing crafts and activities while learning about pet care and how to be safe around animals. We will explore cat & dog body language, learn about picking and making great toys and, of course, spend some time with our animals.

Children will discover the best ways to keep our furry friends safe and happy during the colder months, and even get to work making some special holiday enrichment items for the NAHS dogs and dog treats to donate or take home. Also, we will make an animal related craft that each child can make for someone he or she cares about this holiday season! Pizza, juice, and craft items are included.
