-Troop 505 was chartered in 1964 and has been a continuously active Troop in Naperville since its inception. Currently, 83 boys are in the Troop and we have many actively involved parents. We believe that Scouts grow and learn best in a youth-led organization, with trained adult guidance. Troop 505 supports a strong outdoor program and is organized into patrols, with appropriate age-based leadership to guide and encourage advancement. We have graduated 190 Eagle Scouts in the past 50 years with more on their path to Eagle.

-Our weekly meetings are held on Monday nights at Knox Presbyterian Church from 7:30-9 PM. We camp every month throughout the year and we participate in many fun events and service projects. We follow the Naperville school attendance schedule.

-Troop 505 is chartered by Knox Presbyterian Church, located at 1105 Catalpa Lane in Naperville, just west of Washington & Gartner. Ample parking is available in the Casey's / Trader Joe's shopping center across the street.
