

## Introducing Naperville Saints Youth Football

We are pleased to announce that **St. Raphael Football** has recently partnered with the Bill George Youth Football League (BGYFL) starting in the fall of 2019.

Bill George Youth Football shares a similar legacy to St. Raphael youth football establishing itself and becoming one of the predominate youth football leagues in the Chicagoland area since 1963.

The key to this partnership is not only based on legacy and our close geographical ties, but also the multiple levels of competition that BGYFL offers.

This allows St. Raphael Youth Football to operate in a very similar fashion as it has in the past, with a place for our in-house league players and more competitive teams, to compete against like talent levels in our neighboring communities.

Through our new partnership with BGYFL, St. Raphael Football will continue to be a cohesive community organization that will be known as the **Naperville Saints**, with multiple teams at each age level of competition.

We believe the best coaches are life coaches... not just football coaches.

***“Football is more than a game; it moves you in a positive direction, developing a sense of team and a sense of community, which will help you take your place in the world as a dependable member of society.” - Jim Brown, Founder, St. Raphael Football***

## Have Fun Playing Football!

Enjoy a positive coaching experience while playing with friends in a skill based, leveled football program in Naperville's most established youth football organization, serving the area for more than 50 years!

## Learn to Play Football the Right Way!

Our coaches are “Heads-Up Certified” through USA Football and we provide certified athletic trainers at each game site.
