

Maker Fair

Saturday, Nov. 4 noon – 4 p.m.
95th Street Library, 3015 Cedar Glade Dr.

Celebrate the DIY (do-it-yourself) and STEAM (science, technology, engineering, arts and math) movements with an afternoon filled with demonstrations and hands-on activities for all ages.

Supplies are limited and available on a first come, first served basis.

Maker Central – Rooms A/B/C noon – 4 p.m.

Visit booths from local maker organizations and learn about the ways people are making in the community! Pick up a passport at the check in booth and visit each booth for the chance to enter our prize drawings!

Fiber Arts Room – Lookout Room noon – 4 p.m.

Check out the library's sewing and embroidery machines, or learn to finger knit or hand crochet at this drop-in room for all ages.

Origami Fun – Conference Room noon – 4 p.m.

Try your hand at origami for a variety of skill levels. Drop-in program for all ages.

Green Screen Photo Booth – Upper Level noon – 4 p.m.

Button Making – Upper Level noon – 4 p.m.
