SAFE SITTER® CLASS CONTENT

SAFETY SKILLS
Students learn how to prevent unsafe situations and what to do when faced with dangers such as power failures or weather emergencies.

FIRST AID & RESCUE SKILLS
Learning skills such as choking rescue and CPR is often students’ favorite part of the class. Students also learn a system to help them assess and respond to injuries and illnesses.

LIFE & BUSINESS SKILLS
The ability to screen jobs, discuss fees, and greet employers will set students up for success now and in the future. Students practice these skills through various role plays.

CHILD CARE SKILLS
Students learn tips to manage behavior that will help them stay in control of themselves and the children in their care. Students also learn the ages and stages of child development, as well as practice diapering.
