

2018-BENET TENNIS CAMPS-2018

Welcome to the Benet Tennis Camp 2018. We are pleased to continue the camp and offer excellent tennis instruction along with a fun time.

High School Doubles Camp: The high school doubles camp session will be devoted entirely on competitive doubles. In this camp, we will develop effective doubles skills like aggressive approach shots and net play, poaching, player positioning, and proven doubles strategies. There will also be ample opportunity for competitive doubles play in a daily match format culminating in the Friday Championship Doubles Tournament with awards given. (Rain Makeup 6/9/18)

High School and Junior High Camp: These will be 2 week camps (Mon-Thur., Fridays will be rain make-days). We will stress the fundamentals, refinement of existing strokes, and for the more skilled players, competitive strategies to become successful at the high school level. Players will be grouped by ability. We may also move exceptional 7 and 8th graders into the high school camp if their ability warrants it. All 3 sessions of the high school camps will run for 2 hours a day four days a week and the junior high camp 1½ hours a day. Fridays will be rain days. Benet Coaches Mike Hand and Bob Comerford will be the camp directors. In addition there will be other current or former college players assisting at the camp. These camps are open to players from all schools.

Beginner Camp: This will be a series of 2 week camps, 60 minutes each day, Mon.-Thurs., focusing on the fundamental strokes and how to play and score the game. We will group each player by ability on the courts so that each group is being adequately challenged. Fridays will be rain make-up days.

Please note, if you prefer not send us a check for payment, try our easier online registration at Benetcamps.com. There is a \$6-\$12 tiered processing charge for this service)
