Program News:

Parents understand what current research confirms: younger children can acquire a 2nd language with ease!

Our yearly aim is to teach useful vocabulary in phrases and sentences. With plenty of games, songs, poems, and more, sharing the language & culture of target lands will be lots of fun. The spoken language always comes first, but we include an age-appropriate activities booklet, flash cards and CD as well.

*Please be sure to check out our new website <http://spanishquest.webs.com>!

Payment Information:

- Standard class size is 10- 16 students. Minimum 10 students per class.
- Payment includes a one-time \$110 charge for a 4-week trial period, materials, enrollment and insurance. **This fee is non-refundable once classes begin. Should a student drop before the start of classes, a \$30 enrollment fee will be deducted from the parent's refund. SPANISH LADDER 501(c)(3) cannot accept returned materials for credit.**
- To avoid cancelling low-enrollment classes, SPANISH LADDER 501(c)(3) reserves the right to reduce the total number of sessions to maintain an equitable cost/student ratio. Parents will be notified.

Refund Policy:

No one expects a child to stay in the program if the child is not happy. **Consider the first 4 classes the trial period.** Parents who **call or e-mail** to withdraw a student during this trial period will receive a refund, minus a \$110 charge for the trial period, materials and enrollment fee. **Beginning with the 5th class, all payments are due regardless of student's attendance.** Parents are responsible for the total balance due, including all late fees, materials fees, etc. Exceptions are made only for long term illnesses or when a family moves away.
