

Forest Preserve District of DuPage County

Scout Merit Badge Program 2017 – 2018

Hey, Scouts, add a different badge to your sash the second Saturday of each month September – June. These fun, hands-on programs are for ages 10 – 17 and are \$30 per Scout per program.

Most of the options below have requirements that Scouts must complete in advance and turn in at the program. To check out each prerequisite or to register, visit dupageforest.org, click "Register" and enter 11247 in the search box. **Questions?** Call Fullersburg Woods Nature Education Center at **(630) 850-8112**.

➤ **First Aid**

Sept. 9 • 9 a.m. – Noon

Fullersburg Woods Nature Education Center

Gain the confidence you'll need to provide necessary, appropriate, immediate care to someone who is hurt or becomes ill.

➤ **Nature**

Oct. 14 • 9 a.m. – Noon

Fullersburg Woods Nature Education Center

Explore the connections between soil, plants and animals.

➤ **Mammal Study**

Nov. 11 • 9 a.m. – Noon • Willowbrook Wildlife Center

Spend time in the woods learning about mammals and the features that distinguish them from other animals.

➤ **Geology**

Dec. 9 • 9 a.m. – Noon

Fullersburg Woods Nature Education Center

Explore the world of minerals, rocks and fossils of northeastern Illinois.

➤ **Architecture**

Jan. 13 • 9 a.m. – Noon • Mayslake Peabody Estate

Learn about architecture and building use and design, and discover how buildings influence the community.

➤ **Animal Science**

Feb. 10 • 9 a.m. – Noon • Kline Creek Farm

At this working 1890s living history farm, learn the merits and uses of heritage and other livestock breeds and discuss proper planning and management.

➤ **Weather**

March 10 • 9 a.m. – Noon

Fullersburg Woods Nature Education Center

Through activities and projects, learn how meteorologists predict the weather and explore thunderstorms, tornadoes, hurricanes and other extreme conditions.

➤ **Fly-Fishing**

April 14 • 9 a.m. – Noon

Fullersburg Woods Nature Education Center

Learn the skill of fly-fishing from the experts, from tying a fly to the finer points of casting.

➤ **Forestry**

May 12 • 9 a.m. – Noon

Fullersburg Woods Nature Education Center

Learn how trees change as they grow, how people use and depend on them, and how to identify common Illinois species.

➤ **Reptile and Amphibian Study**

June 9 • 9 a.m. – Noon • Willowbrook Wildlife Center

Learn the natural history of local reptiles and amphibians through activities and hands-on demonstrations.

This program is not endorsed by your school District. Items in the virtual backpack come from not-for-profit organizations in the community. Links directed to websites outside your school district are not sponsored or maintained by the District. Your District has gone green in its approach to distributing community flyers. Rather than sending flyers home with students via backpack mail, flyers are now posted here for all to view or print.
