

NCUSD #203 Continuum of Services

A full continuum of services is available for all students who qualify for special education. Students with disabilities may receive services exclusively in the general education classroom or within a residential setting, with many other options in between. Services and supports are individually designed by the IEP team and aligned to the educational needs of the student.

The vast majority of our students receive services within their neighborhood schools. Additionally, specialized classrooms are available throughout the district for students who need additional support. Each of the specialized classrooms provides a smaller student/teacher ratio, increased intensity of services and a focused methodology aligned to student's needs.

<u>Support</u>	<u>Description</u>	<u>Location</u>
Multi-Need Classrooms	Provides a priority curriculum for students with multiple disabilities that focus on authentic and community-based instruction with integrated related services. The majority of students have IEP goals aligned to alternative grade-level standards.	Ann Reid Prairie Meadow Glens Madison Kennedy NCHS/NNHS
Structured Learning Classrooms	A highly structured classroom with an emphasis on building communication and pragmatic language skills. Related services are integrated into daily lessons, and an emphasis is placed on communication.	Ann Reid (Extended Day) Kingsley Mill Madison Kennedy NCHS
STARS/Success	Provides a highly structured classroom with an emphasis on building the SEL skills needed to navigate the school environment. Students receive explicit instruction in social skills, accompanied by a systematic approach to positively reinforcing prosocial behaviors.	Steeple Run Lincoln NCHS/NNHS
Connections	Supports students ages 18-22 who need an extended educational experience in order to fully develop community living, personal, and vocational skills.	5 th Ave Station
