

2020 Madison Warhawk Track and Field

In an attempt to limit the amount of paper being used, Madison's Athletic Department will be using an online system for signing your athlete up for his/her sport.

Sport Sign up: Each team has an online sign up form that must be completed by **one** parent/guardian. Shown below is where you will find the form on Madison's webpage. Click on athletics then interscholastic teams, and then chose the sport. The form is located at the bottom of the sport's page. Please fill this out completely (you can only fill out the form once, so do not begin until you are ready to record the fee information) and make sure that you **include the fee's payment method (and if by check, make sure you add check number).**

The screenshot shows a website interface for Madison Athletics. On the left is a sidebar titled "Interscholastic Teams" with a list of sports: Madison Interscholastic Sports Overview, Boys Basketball, Cheerleading, Cross Country, Football, Girls Basketball, Track and Field, Volleyball, and Wrestling. The main content area is titled "Madison Athletics Overview" and includes a breadcrumb trail: Home > Athletics > Interscholastic Teams > Madison Interscholastic Sports Overview. Below the title is a paragraph: "Please use the links on the left sidebar to navigate to the details about our athletic program." followed by "Welcome to the home of Warhawk Athletics!" and "Interscholastic sports are open to seventh and eighth graders and are divided into three seasons: Fall, Winter and Spring. All athletes are required to have a physical on file in the health office in order to participate and/or tryout." The page lists "Fall Sports" (Cross Country, Volleyball, Football), "Winter Sports" (Boys' Basketball, Cheerleading, Wrestling, Girls' Basketball), and "Spring Sports" (Track and Field). To the right of the text is a large graphic of a Warhawk eagle with its wings spread, perched on a shield.
