

Dear Redhawk Families,

Wednesday, October 12th is an important day for our juniors as they will complete the PSAT/NMSQT at Naperville Central. Not only is this the last school-sponsored practice SAT opportunity for our juniors, but it also serves as a qualifying test for the National Merit Scholarship program. In order to provide our juniors with the best possible testing experience, we will have a special schedule on October 12th. Please note these important details for all Naperville Central students.

October 12th schedule = 7:45 am - 12:45 pm for standard testing*

**Juniors with approved CollegeBoard accommodations will receive additional communication on Tuesday, September 27th about their accommodations and testing times, which may extend beyond 12:45 pm*

Seniors are not in attendance on October 12th and are encouraged to use this as a post-secondary exploration day.

October 12 is a Wednesday, so please note the 7:45am start time is different then our normal Wednesday late arrival schedule.

- Testing will begin for all juniors at 7:45 am. Juniors should plan to arrive at their assigned testing location by 7:30 in order to prepare for the 7:45 start. All juniors will receive a PSAT/NMSQT study guide On October 4. Extra study guides will be available in the main office.
