

The Harold Moser Community Service Award

Lincoln Junior High School, through the cooperation of the Home & School Association is looking for students to be recognized for different aspects of community service.

Any student who has *volunteered* his or her time and talents during the 2018-2019 school year will be considered for this award. Students will be recognized for an on-going commitment or any service for a good cause in our community.

Parents, teachers, community members or students may submit nominees. Students may nominate themselves. All nominations should be completed on the designated form and must be turned in to the Lincoln Office by **May 6, 2019**.

Some activities for which students have previously been nominated:

- Regularly volunteering at nursing homes
- Tutoring children
- Shoveling walks and drives for the elderly or disabled
- Yard work for the elderly or disabled
- Regularly working in the food pantry or shelter
- Baking for someone ill
- Other service projects to better the community

The above suggestions are a few examples of different types of community services. There are many more options and opportunities to give back to the community.

This award is being recognized as the Harold Moser Community Service Award because of the impact Harold has made on the community of Naperville. He and his family have been an important part to Naperville's successful development. Mr. Moser's generosity and civic service exemplify the standards for this award.
