

# ORDER YOUR **MILL STREET GROWS** ENGRAVED PAVERS!

## What is Mill Street Grows?

Mill Street Grows is the project name for the outdoor classroom spaces at Mill Street Elementary School initially installed in 2020 and currently being enjoyed by all students at Mill Street Elementary.

The goal of Mill Street Grows and the idea behind an outdoor classroom space is simple: to increase the quantity, quality, and benefits of outdoor experiences for children. Benefits of an outdoor classroom and sensory space support many facets of child development, including physical, cognitive, social, and emotional development. Outdoor classrooms also spark an interest and appreciation for nature and the world in which we thrive!

## How can families support Mill Street Grows?

We need the Mill Street community's continued support to fund the maintenance and future enhancement of our Mill Street Grows program. To achieve this goal, we are offering a donation opportunity to purchase engraved pavers with a message of your choosing to leave your students' presence at Mill Street forever! The engraved pavers will be placed in the outdoor classroom alongside those pavers previously purchased to fund the initial installation of the classroom. Pavers come in two sizes: 6x8 (Standard) and 8x14 (XL).

This project is being 100% funded by the Mill Street community and will not receive any funds from District 203. We appreciate your support!

***\*If you are purchasing more than one paver of either the 6x8 or 8x14 size, please pick up an additional order form in the Mill Street Office and complete an additional order form.***

Naperville District 203 Home & School Association (which includes Mill Street Home & School) is a 501(c) charitable organization. Your contribution is tax deductible to the extent of the law. If your donation is valued at \$250 or more, we will provide you with a receipt as proof of your donation for tax purposes.

Due to the prolonged verification process of engraving we are unable to provide a firm installation date. The goal is to have the pavers installed before the start of school in August so please check back often and enjoy our beautiful spaces.
