### **Mill Street Cares**

Mill Street Cares Packages were sent home over Thanksgiving Break courtesy of The Church of the Latter-Day Saints. They warmed the homes of many families over the extended holiday break!!! SFCP wanted to send a heartfelt thank you to the church and let them know how much we value their partnership.

### **Season of Giving**

The Compass Church and Giftmart are partnering with Mill Street to help provide our underserved families a toy for their child this holiday season. As you are shopping for your own family, would you please consider adding an item to your cart for this cause?

Your donation could mean so much to another Mill Street student. Please consider purchasing a toy with a value between \$20-\$25. Toys can be purchased and dropped off in the designated collection box at Mill St. through December 2<sup>nd</sup>. You can also order toys directly through The Compass Church's Amazon wish list, which has additional toy and in-kind donation suggestions. [Giftmart 2020 | The Compass Church](#)

Thank you in advance for supporting our families.

### **Mill Street Gift Card Program**

Don't forget! The deadline is THIS FRIDAY, December 4 to participate in the Gift Card Program for Mill Street teachers and staff! Let them know how much they're appreciated.

It's that time of the year to let our teachers and staff know how much they are appreciated in this unexpected school year – and we've made it easy for you! Participate in the Home & School sponsored Gift Card Program and the teachers and staff will get to pick out gift cards of their choice, and Mill Street gets a percentage back! Check out the flyer for more details. [Deadline to purchase is December 4.](#)

### **Science Club 2020-21**

Science Club will hold our second meeting via Zoom on Wednesday, December 2nd from 3:30 to 4:30pm.

For this second Science Club of 2020 we will discuss: "Is the earth flat or round? How can we tell?"

We will have an activity kids can do at home, and a list of the supplies you need for the activity will be sent to all participants.

Science Club is open to 3rd through 5th graders.

Sign up via Signup Genius at: <https://www.signupgenius.com/go/20F0F45A9AB2FA0FC1-virtual1>

We will send back the Zoom link and the supplies list to everyone who signs up.
