

Ranch View Elementary Required School Supplies for the 2022-2023 School Year

For your convenience, Ranch View Home and School Association has collaborated with School Tool Box this year to make it as easy as possible to order your school supplies for the 2022-23 school year. All orders will be boxed, labeled, and delivered directly to the school and taken to your child's classroom at the start of the next school year. This website will be available to order until June 5, 2022. Headphones are not included in the kit but are available for purchase when you purchase your kit.

Please order at www.schooltoolbox.com and just search by Ranch View. Each grade level's lists (and Pi/HM) are set up on the website to be able to view and purchase your student's school supplies altogether. Please order your student's box based on their grade in the 2022-23 school year.

Don't want to order online? Attached are the lists of required school supplies by grade and gender.
