**The Yearbook Club** needs your help! While this is not going to be the traditional yearbook, we definitely need to document this unique school year. We would love for you to submit any school-related pictures for possible placement in the yearbook. The students are also allowed to submit pictures as well.

For this first round of pictures, consider submitting the following:

- A picture of your child in their work space
- A picture of your child and their pet(s)
- A picture of your child during spirit week or in their Halloween costume (group photos are allowed)
- 

Submitting pictures is REALLY easy! You can do it easily from your phone (with the app) or from a computer.

1. Go to the [Walsworth Yearbook Snap](#) site
2. Enter the access code: LancersYearbook
3. Start uploading

If you would rather use the app on your smartphone, search for Yearbook Snap in the App Store or Google Play. The first time you use the app, you will be prompted to enter the access code (LancersYearbook), your name, and your email address. This just helps us know who is submitting the pictures.

Please email [jkeleghan@naperville203.org](mailto:jkeleghan@naperville203.org) with any questions.

Thank you for your support and making a yearbook possible for our students this year!
