

Finding Your Unique SchoolLinks Parent Code

Students must provide their parent(s)/guardian(s) with a unique parent code, in order for a parent/guardian to “claim” a student’s account in SchoolLinks. The instructions below must be completed by a student within their SchoolLinks account, to access the unique code:

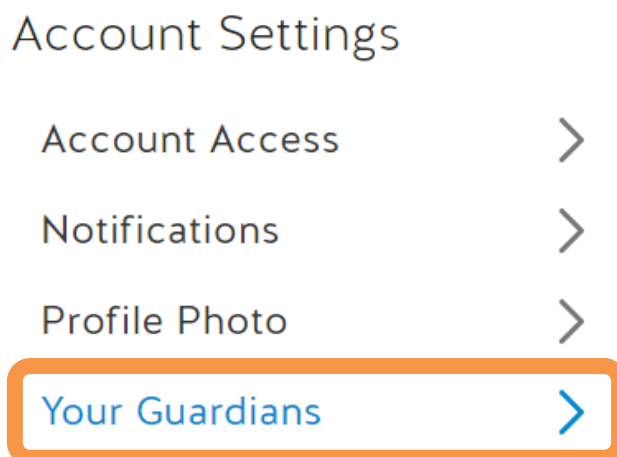

1. Student needs to click on the **Gear** icon in the upper right corner of their SL screen

2. In the dropdown menu, click on **Account Settings**

3. On the new page, click on **Your Guardians** (left hand side)

4. On the new page, click on the **View Guardian Instructions and Unique Claim Code** (green text in the center)

Account Settings

- Account Access >
- Notifications >
- Profile Photo >
- Your Guardians >**

Linked Guardian Accounts

No parents/guardians are linked to this student account.

Guardians Claim Process

View Guardian Instructions and Unique Claim Code

5. Students will see a message that they can copy & paste to send to their parent(s), with their unique claim code

Guardian Claim Instructions

Copy the message below to send to guardians in an email or text message.

Claiming a student on SchoolLinks is easy, and can be done in 2 steps:

1. Visit **app.schoollinks.com/claim-student** in your computer or mobile phone browser.
2. Go through the claim process by entering **Maurice Hurley's** unique, case-sensitive claim code. Follow the instructions that appear on the screen.

Claim Code: **Unique code will display here.**

If you're having trouble, double check the link and claim code. If issues persist, you can contact SchoolLinks using the chat button in the bottom right of any SchoolLinks page.

Warning: The people you share this info with will have access to student personal data. Please use caution.
