Mill Street Elementary School

Science Club students enjoyed talking to Dr. Dana Bussing and making a diagram of their spine. It was a great year learning about careers in the Science field through local Mill Street families. Science Club runs with the support of our wonderful Parent Volunteers-

Chris Jacks, Jaqueline Delgado, Melissa Zbiegel, Nikki Orth, Amy Patt, Susan Stellmacher, Tracy Ciganek, Neha Koteru, Jeff Heath, Jennifer Ryan, Sarah Alaimo, Szidonia Teglas, Kelly Billington, Jessica Child, Allison Polk, Stephanie Winterl, Derek Dalrymple, Dana Bussing, Patty Sida, Tonya Schmidt and Emily Schmitt.

Thank you to all the students who made this year a success!

Carrie Hess, Science Club Chair
(Science Club is funded by Mill Street Home & School.)
