

July 2021

Dear Scott School families,

Scott Home & School is excited about the upcoming 2021- 2022 school year! Scott's Home & School Association promotes cooperation and communication between school and home for the maximum benefit of students. We sponsor several activities for the students throughout the year such as assemblies, room parties and field day. We also host fundraising events to help support our activities such as monthly dinner night out and seasonal fundraisers. All parents, teachers and staff are automatically considered members of our association. Unlike traditional PTA's, there is no fee to sign up, we just ask for your participation by attending our events and helping in any way that you can such as fundraising and/ or volunteering.

We are looking forward to the opportunity to connect with all students and families. Within the first few weeks of school, you will receive more information from us, including our 2021- 2022 event and meeting calendar as well as other helpful information on the various volunteer opportunities available.

We wanted to share some back to school information with you:

- **School Supply Kits:** Class supply lists may be found on the Scott Elementary website under Classrooms -> Grade Level -> School Supply Lists. Students that ordered online supply kits for school delivery will have their kits placed in their student's classroom before the first day of school. Student's that ordered online supply kits for home delivery or did not order a supply kit, will need to bring their supplies on the 1st day of school.
- **Home & School Meeting- September 14, 2021:** Our first meeting of the year is tentatively scheduled for Tuesday, September 14, 2021 at 7pm. Additional information on how to attend will be coming soon. We look forward to seeing familiar faces as well as welcoming first time participants. This is a great opportunity to meet our board members and see how you can get involved in Scott Home & School.

We hope you enjoy the rest of your summer! We look forward to connecting with you! If you have any questions or are interested in learning how you can get involved, please contact board@scotthomeandschool.com

Sincerely,

The Scott Home & School Executive Board
