Books, Computers and iPads

- Explore a wide selection of books at various reading levels to engage your student and encourage early literacy and learning.
- Use our in-house computers or iPads to play preloaded games and activities.
- Not sure where to start?
Request personalized reading lists to suit every reader at any level.

Special Collections

- VOX Books and Wonderbooks allow children to listen and read along with a recorded narration.
- The Easy Readers Collection numbers books according to their level of difficulty, from 1 for emergent readers to 3 for advanced early readers.
- Our World Language Collection offers books in Arabic, Chinese, French, Hindi, Marathi, Polish, Spanish, Russian, Tamil and Urdu.

Programs Galore

- Join us for exciting activities that encourage critical thinking such as STEAM-based programs, summer and winter reading programs, and early literacy programming throughout the year.
- All children's programs are free. A calendar of events can be found on the library's website.

Tools on the library's website - naperville-lib.org:

- Access the online catalog to find what you're looking for anytime, day or night.
- Use online resources like Hoopla, Overdrive and Axis 360 to download books and stream video.
- Tumble books offers animated picture books with music and narration, and Kanopy for Kids teaches children world languages and allows you to stream family-friendly movies.
