

A new way to empower your student for college and career growth! SchooLinks is a Naperville 203 tool for students and parents to assist in college and career preparation. Parents and guardians can have access to this wonderful tool!

To create an account with **SchooLinks**:

1. Go to our **SchooLinks** Login URL at: [app.schoollinks.com/login](http://app.schoollinks.com/login).

2. Under username, enter the student's **SCHOOL** email address followed by **-g-** (a, b, c, or d)  
\*If you are unsure, check with your student for his/her email address.\*

**Example:**

If the student James P Smith's email was [jpsmith@stu.naperville203.org](mailto:jpsmith@stu.naperville203.org) the 4 available guardian accounts would be as follows:

[jpsmith@stu.naperville203.org-g-a](mailto:jpsmith@stu.naperville203.org-g-a)  
[jpsmith@stu.naperville203.org-g-b](mailto:jpsmith@stu.naperville203.org-g-b)  
[jpsmith@stu.naperville203.org-g-c](mailto:jpsmith@stu.naperville203.org-g-c)  
[jpsmith@stu.naperville203.org-g-d](mailto:jpsmith@stu.naperville203.org-g-d)

3. Your temporary password is the student's school ID followed by the student's birthdate month and day

**Example:** if a student's ID number is 123091 and his or her birthday is January 8th (01/08) you would enter 1230910108  
 Click **Log in** to continue

4. Create a new password.  
Enter your email for important notifications from the counselor. Press **Continue** to complete the account creation process

A window will prompt listing the name of the particular student you will be completing your account setup for.  
 \*Keep in mind, if you have more than one student, you will need to create accounts for each one.\* **Continue** by pressing "Let's Get Started"

**5. Enter your name and phone number to the account you are creating and press Continue**

**6. Provide your relationship to the student and press Continue**

**7. Please confirm your account information. Once confirmed check the boxes and press Claim Account**

**As an Option, you can add other household member emails to invite them to create accounts to SchooLinks to view your student's college and career path. Press Skip to continue**

**Remember: Your username will be the student's SCHOOL email address followed by -g- (a, b, c, or d) The password will be the one you just created.**

*student email@stu.naperville203.org-a*

**You are now ready to work with your student on their journey to college and career readiness! Enjoy!**
