Common mistakes Admissions Counselor tell me students make

Never use text language or slang when emailing an admissions counselor

Spell check everything: most misspelled words are psychology and business

Slow down and read carefully: Country and County are not the same thing

What does that mean? Explain your school activity– they don't understand Alpha Dawgs, North Star, JETS,, MSA, PRIDE, or URC.

Are you 18 or 40? They know you can use the thesaurus feature on your laptop.. But use it sparingly. Your essay should not sound like it was written by a 40 year old.

Broaden your scope of colleges to apply to---

Private schools cost more but they give more

53% of the Class of 2012 went out of state

Out of state schools are on sale...

2.75 GPA = instate tuition at Central Michigan Univ.

ACT 31, GPA 3.9= full tuition at Ferris State Univ.

ACT 24 and 3.33 = half tuition at DeVry

Murray State Univ. Tuition is \$12,000 for out of state

Southeast Missouri-- \$15,004 R/B

Come and see me in the College Center– Student Services 1 Office–

I am looking forward to helping you with the college process. 😊
