

- Good morning, Washington Wildcats! On Friday, all students participated in Washington's first ever Wildcat Pack! We hope you had a great time getting to know your fellow wildcats while playing games and working together to win the competition. As you attend school throughout the week, keep an eye out for your fellow pack mates! You might see your Pack leader or another classmate in the hall. Say hello and keep your pack pride high! Now... over the weekend, we had a chance to review the paper tower submissions and wanted to announce our top 3 teams. In 3rd place.... With a height of 64 inches... Mr. Rebus/Mr. Lange's Pack. And... we had a tie for 1st place... with heights of 66 inches, the winning packs are... Mrs. Englers/Mrs. Sanford's Pack & Mr. Burke/Mrs. Fratto's Pack. If you were part of either winning pack, stop by Mr. Panega's office for your award for winning this competition! More information to come on our next pack! Many more games and challenges await!
- A Reminder that we are celebrating all things spooky with Spirit Week all week long, and tomorrow, Tuesday, is anything but a water bottle day! This is where you bring your water for the day, that is, anything but a water bottle! This must be school-appropriate and cannot distract from learning. On Wednesday, it's Pink Out to spread breast cancer awareness, and Thursday is Witch Day, where you will dress in your class colors! 8th grade is Black, 7th grade is purple, 6th grade is green, and 5th grade is orange! And finally, Friday is costume day. For Halloween, please remember to wear a school-appropriate costume. No weapons or anything that would cover your face. If you have any questions, please see Mrs Trannon. Let's make this a great spirit week!
- Girls basketball intramurals will begin on Monday, November 3rd...that's a week from today! Grade level dates and times and a google sign-up form are available on the WJHS website. Please see Mrs. Denius with any questions.
- Service Matters will be holding their next meeting on Thursday morning, in the LC, at 7:30 A.M. Please join us to learn more about Operation Gratitude as well as how you can help with upcoming activities for Veteran's Day. Service matters is open to all students 5th-8th grade. See Mrs. Bornancin or Mrs. Kimberley with any questions. We hope to see you there!
- Have you been on the fence about joining a sport? Did you try out for basketball and want to try something else? I have GREAT news for you! The Washington Wrestling team is still accepting new athletes this week! Whether you are an experienced wrestler or you've never wrestled in your life, the Washington wrestling team is for you! We will teach you everything you need to know to dominate your opponents! See Mr. Panega or Mr. Nutt for information on signing up!
