

Dear Steeple Run Families:

**What does it take to be a superstar?**

Whether someone is a scientist, entertainer, public servant or business owner, they would most certainly represent excellence and major success. Their accomplishments would be a great inspiration to others because – simply put – success takes effort, time and perseverance.

***At Steeple Run, our students are Super Stars.***

What a great name for our children to have and take pride in! Every student is unique and possesses their own talents and interests. At Steeple Run, our Super Stars are encouraged and empowered to be the best versions of themselves.

- ❖ They show curiosity about the world around them and explore ideas by thinking critically.
- ❖ They show kindness and are helpful to family, friends and the community at large.
- ❖ They actively participate by being good teammates and by taking on leadership roles.
- ❖ They demonstrate perseverance by giving their best effort and making good choices.
- ❖ They maintain a positive attitude towards school and life.
- ❖ They embrace a growth mindset.

**Our Home & School Association plays a vital role for our school community.**

Home & School works closely with our administrators and teachers to provide support for school endeavors. We rely tremendously on our many parent volunteers to fulfill a wide variety of fundraising initiatives and enriching activities for our students. Altogether, Home & School is committed to serving as a platform for collaboration, advocacy, and volunteering so that we can help create an environment where our children can truly thrive.

***Welcome to the 2024-2025 school year!***

I am so very excited to serve as your Home & School President again this year! Steeple Run is a beautiful, diverse, and dedicated school community. It is such an honor to have this opportunity to work with our Principal, Ms. Malatia and collaborate with the most wonderful network of teachers, staff and parent volunteers. With our strong partnership between our school and every home, we will continue our mission to foster a school culture where every student feels valued and motivated to reach their full potential.

Together, we will help every child shine brightly - like the Super Stars they are!

Truly,

*Nandi*
