Best School vs. Best Fit

Early Decision	Restrictive Early Action	Early Action / Priority	Regular Decision	Rolling Admission
BINDING	NON-BINDING	NON-BINDING	NON-BINDING	NON-BINDING
Students make a commitment to a first choice college. If admitted under Early Decision, the student must attend.	Students apply to a school of preference, and receive an earlier decision. Students may be restricted from applying ED or EA to other schools	Students apply early to a school or schools, and receive an earlier decision, ahead of the regular decision deadline	Last possible deadline a student can apply and still be considered for admission to a university.	Schools review applications as they are submitted, and issue admission decisions on a rolling basis.
