

WHO ARE THE NNHS BOOSTERS ?

The Naperville North High School Boosters is an all-volunteer parent lead organization that raises money for the School and Student Body. Boosters supports all athletic programs, along with NNHS Student Activities. Boosters is the one of the primary means of fundraising at NNHS and each year we raise and distribute approximately \$100,000 to Naperville North Athletics and Naperville North Activities programs. The NNHS Boosters rely on membership and incredible volunteers to fundraise and directly enhance the student experience. Your support—whether it's volunteering at concession stands, selling or purchasing spirit wear, becoming an event sponsor, buying yard signs, or attending fundraisers—makes a meaningful difference. We encourage you to stay involved and support us wherever and whenever you can!!! Our goal is to increase membership in 2025/2026. ***We suggest registering for Boosters on your oldest child's registration form.***

How Do I Join Boosters?

Join the NNHS Booster Club by selecting your preferred membership level on your student's fee sheet in your registration packet. The easiest way to pay for your membership using the district's online payment processing system. You may also pay by check which can be turned in by parent or student during the regular school registration process. Membership is just a few clicks away and you can join NNHS Boosters by purchasing your selected membership online on our Boosters website at **nnhsboosters.org**.

*****If you have multiple children participating in different clubs, activities, or sports, you only need ONE family membership.****
