Mission
To educate students to be self-directed learners, collaborative workers, complex thinkers, quality producers, and community contributors.

Course Description
Creative Writing is a composition course for students who have no major mechanical or organizational problems, and who have the fluency, talent, and desire to improve their writing techniques in the expressive mode. Much of the class is conducted in the form of a writer’s workshop in which students share their work for audience response. The class requires regular sharing of work and frequent revision. Writers will be encouraged to revise their best work and offer it to school national publications. This course may fulfill the Fine Arts requirement.

Course Grade
Each unit/standard is assigned a particular percentage.
Within each unit, summative and formative sections are weighted as follows:

Formative Assessments 0%
Summative Assessments 100%
**Summative assessments are broken down as follows:**

**Writing (60%)**
All Creative Writing students will be required to write three summative products (fiction, nonfiction, and/or poetry) at minimum; however, additional assessments may be assigned based on students’ needs.

**Reading (30%)**
Students will be assessed on their ability to critically read and examine a variety of texts. Students will complete a style analysis for each unit. Their reading will be measured in their writing and class discussions.

Reading Assessments: Style Analysis for each unit fiction, non-fiction, and/or poetry.

**Speaking and Listening (10%)**
Students will be assessed on their ability to have academic conversation and demonstrate academic listening in both small and large discussions, conferences, and/or presentations.

**Grading Disbursement:**
- A = 100-90
- B = 89-80
- C = 79-70
- D = 69-60
- F = 59 and below

Incomplete or work not turned in will receive a grade of 0 in the grade book.

**Assessment Policy**

**Summative Assignments:** All summative assignments must be completed in order to pass. Every summative assignment must be completed by the conclusion of the unit.

**Formative Assignments (practice assignments and activities):** All formative assignments are opportunities for students to practice, develop skills, and receive feedback. These formative marks do not directly impact student grades, but are expected to be completed. Students will utilize feedback in order to self-assess their progress towards a standard.

**Reassessment Policy**

**Retake Policy (retakes are only on summative work, excluding final exams):**

1. Students are only allowed reassessment on essays on which they receive a 79% or below.
2. The maximum grade the student can get on the reassessment is an 80%.
3. The higher of the two scores will be entered in Infinite Campus.

**Criteria for reassessment on selected writing assignments:**

1. Essay is turned in on time.
2. All formative work is completed on time.
3. Student must decide within 2 days of paper pass-back that he or she will draft a new essay.
4. The student must meet with the teacher outside of class.
5. A new due date will be agreed upon by teacher and student between one and two weeks from pass-back date.
6. The student must utilize additional support at the Literacy Center or SOS to revise the essay.
