

Hello Naper Knight Families!

It's not too early to begin thinking about how you will be involved during the 2025-2026 school year! Please allow us to introduce the **Naper Home & School Association (H&S)**: a group of parents who are passionate about supporting the education of our children through volunteering, fundraising, and community building. The funds we raise provide field trips, assemblies, class holiday parties, year-end activities, birthday books, classroom enhancements, and so much more!

Of course, there is no way we could do so many great things without many parents and guardians taking an active role in H&S. In addition to making Naper an amazing place for students, volunteering provides opportunities to meet staff and other parents. Whether you have 30 minutes from home or a few hours to serve within the school walls, your ideas, your time, your talents, and your voice are needed and welcomed.

There are endless ways to contribute, so please check out the **2025- 2026 Volunteer Information** document.

We look forward to seeing you around!
