

Welcome to the NNHS Home & School Association!

Home & School is a great way to get connected and stay involved at Naperville North High School. Whether you're new to the school or a returning family, your involvement helps build a stronger, more supportive community for our students, staff, & families.

Being part of H&S gives you the opportunity to:

- Get to know teachers, staff, and other parents
- Be present and engaged at select student activities
- Support meaningful programs that enhance student life and school spirit

Have questions throughout the year? Reach out anytime at: napervillenorthhands@gmail.com or napervillenorthhscopresident@gmail.com

There are many ways to contribute—from volunteering your time to donating resources.
Every bit of help makes a big impact!

Young Hearts for Life (YH4L) Sign-Up

Home & School will once again be partnering with Young Hearts for Life (YH4L) on October 28th to provide free electrocardiograms (ECG's) to all students. ECG's detect conditions which may lead to Sudden Cardiac Death. We have had great participation every year but have fallen short of our goal of 100% participation in this potentially life saving event. To make signing up your child as easy as possible, you can use the following link or QR code.

For more information about YH4L visit their website at: [Young Hearts For Life](#). We will be sending out information on how you can volunteer to help on October 28th soon.

THANK YOU FOR YOUR SUPPORT!
