NNHS Algebra 2 Syllabus

Mission
To educate students to be self-directed learners, collaborative workers, complex thinkers, quality producers, and community contributors

Course Description
This course is a continuation of the principles learned in Algebra 1 with added emphasis on abstract reasoning. Topics to be covered include factoring, exponents, radicals, properties of graphs, trigonometry, irrational numbers, imaginary numbers, exponential and logarithmic functions, probability and statistics. Algebra 2 is an essential course for those who plan to continue the study of mathematics in high school and college. A graphing calculator is required.

Grading
Your course grade will reflect what you have learned, not what you have completed!

Overall Semester grade:  
85% Course Grade  
15% Final Exam

The final semester grade will be rounded to the nearest percentage point.

Course Grade:
• Tests (60%)
• Quizzes (30%)
• Practice (in class and/or at home) (10%)

Grading Disbursement:
A= 90-100  B= 80-89  C= 70-79  D=60-69  F =<59

Incomplete or work not turned in will receive a grade of zero in the gradebook.

Reassessment Policy
Reassessment Policy (reassessments are only for Tests, excluding final exams):
1. Students are only allowed reassessments on unit tests on which they receive a 79% or below.
2. The maximum grade the student can get on the reassessment is an 80%.
3. The higher of the two scores will be entered in Infinite Campus
4. The reassessment times and locations are left up to the individual teacher.
5. Students are required to complete at least 80% of the unit homework including the review assignment to be eligible for a reassessment.
6. Students are required to do additional practice specified by the teacher prior to their reassessment.
7. The last unit assessment of the semester cannot be retaken.

Communication
• Teachers make every effort to respond to emails and phone calls within 48 hours during the work week.
• The best way to communicate with teachers is through email; however, if you haven’t received a response in 48 hours, please resend the email or call their voicemail. Your email may have gone into the spam folder.
Help

• Make an appointment with your teacher.
• Math Help in the Math Help Center room 268 before school and during lunch
• Drop in for peer tutor during lunch periods or before school through the Literacy Center.

Parents or Guardians

We need your help!

• Parents should actively check Infinite Campus for their student’s grade.
  o The grades on Infinite Campus will be official only at the Grading Periods. Prior to those dates, the grade reflected is fluid.
  o Infinite Campus is a communication tool until final grade is posted.
• Please ask your student about their school work
• Check with your individual teacher for classroom procedures and schedules.
