

# **NNHS DAILY ANNOUNCEMENTS**

**Wednesday, October 8, 2025**

## **National SAT**

NNHS will be hosting the National SAT on Saturday, November 8th. Registration is currently open and ends October 24th, so sign up now because seats are filling fast. Visit [www.sat.org](http://www.sat.org) to register.

## **Peer Tutoring**

Hey Huskies! Parent-teacher conferences are coming — and you know your parents will ask about those grades! Stop by the Literacy Center during any lunch period for peer tutoring in all subjects. Get some help now, so you can face those conferences with confidence (and maybe even a smile).

## **Investment Club**

Hey Huskies, join our school's Investment Club and learn how to build a stock portfolio. No experience needed. We learn the market together, explore financial skills, and compete in the Stock Market Game while building future investors. Join us every other Tuesday morning at 7:15 in room 183! Our next meeting is Tuesday, October 14th!

## **OASIS**

OASIS is cancelled today. We hope to see you next week!

## **Garage Band Club**

Don't have anyone to talk to about music? Wanna hang out and find other friends through the language of music? Join Garage Band Club today! We will be discussing plans for the club and eating some sweet autumn treats. We will meet every other Wednesday starting today at 3:30 in room 178. Make sure you stop by!
